Is your idea

cheese?

There's nothing wrong with a hearty serving of "Student Helper," but you should be able to afford some variety on your plate. That's why you should check out Bank of Montreal's new Student Loan.

You can apply for a loan of up to \$5,000 for each year of 5 years of undergraduate study, up to \$20,000 in total, and up to \$10,000 for 2 years of post-graduate studies. You'll be taking advantage of special student interest rates, and you just have to make interest payments while you're still in school. You'll also get a quick answer to your loan request.

To find out more, just drop by your nearest Bank of Montreal branch. And while you're there, ask us how else we can ease the pressure—a discount on day-to-day banking, special Bank of Montreal MasterCard® cards, and more. You might find it easier to balance your account and your meals.
