Mr. J. P. Cooper,  
Vice-President, Howel Cotton Company of Georgia,  
Rome, Georgia.

Dear Sir:

I have received your letter of March 4th, and in reply would say that I would be pleased indeed to render any service in my power in the matters to which your letter refers.

It is just possible that in the copy of my book which Mr. Rockefeller, Jr. has sent to you, there will be found answers to the questions which you have in mind. However, if there are specific points on which you should like to have conference, by letter or otherwise, I should be happy indeed to render such services as circumstances may permit.

I regret I am obliged to say that at the present my time is very fully occupied with public duties as well as a number of business engagements. I mention this only in case, in the event of a farther communication from you, I should not find it possible to give at the moment of its receipt the attention which I should otherwise wish to give.

Yours very truly,

WLMK
