

A P P E N D I X I.DRAFT SECTION FOR PUBLISHED REPORT OF CONFERENCE.

The Conference considered a Memorandum from His Royal Highness the Duke of Gloucester, President of the Imperial War Graves Commission, communicating to the Conference a Report on the work of the Commission during the twenty years which have elapsed since its establishment in 1917 on the recommendation of the Imperial War Conference of that year, and agreed to place on record its approval of the work which had been accomplished and of the manner in which the Commission had discharged and were continuing to discharge the duties entrusted to them.

The Conference desired that, in view of the wide interest that was taken in this work, the Imperial War Graves Commission should make arrangements for the Report to be published.
