Ottawa, 10th April, 1906.

Sir,-

I am in receipt of your letter of the 3rd instant relative to the proposal of the Indians of Burnt Church to have the building which was intended for a school and council house utilized as a council house and dwelling house for their Missionary, and in reply I beg to say that the Department considers it advisable that the building should be kept for the purposes originally intended, and that no expenditure should be incurred in moving the old school building.

The Department has been requested by Rev. J. G. Robichaud to pay him for lathing this building. It is desired that you will kindly report the amount and value of the work done by Mr. Robichaud in this connection, and what the cost of plastering the same would be.

Your obedient servant,

*L. L. Lewis*  
Secretary.
