OTTAWA, 28th March, 1912-

Sir-

Referring to your letter of the 26th Instant, regarding question of Bond in connection with lease to be issued in your favour, I beg to say that it will be quite satisfactory to the Department to have the Bond executed by a reliable surety company.

Regarding the issue of leases for other portions of land on the Rice Lake Reserve, I may say that provided the usual agreement, signed by the Locatee of the land in question and yourself, is furnished the Department would be disposed to favourably consider your application.

Your obedient servant

Asst. Deputy & Secretary
