NOTICE

1. Files should be retained no longer than absolutely necessary. If a file is frequently poked at short intervals, it is better to N.F. it for two or three days than send it out of Central Registry and forth. This causes it being complicated and kept in order, and also gives them direction immediately to not come.

2. Central Registry should be notified whenever a file is moved direct to another branch.

3. All outgoing papers should have the correct file number.
