SELF-GENERATING
HAND GAS-LIGHT BURNER,

BUTLER, HOSFORD & CO., Proprietors.

171 Broadway, New York,

1 Courtlandt Street, New York, and

2 Court Street, Brooklyn, N. Y.

This valuable patent, portable, self-generating Gas Burner, is offered to the public, in full confidence of its positive superiority over every other HAND-LIGHT in existence, for **SIMPLICITY, SAFETY, and ECONOMY,** producing a

Brilliant Gas Light, requiring no trimming, or other attention, except simply fill the lamp with good burning fluid, one quart of the fluid converted into gas in the Burner, giving a **FULL, BROAD and CLEAR flame** eighteen hours.

This light, which is equal to that from eight ordinary wick tubes, is under complete control, being reduced by a simple process, from a full blaze to a small one, and as quickly restored to its full capacity, and at **ONE-THIRD THE COST.**

It is admirably adapted for lighting churches, dwellings, lecture-rooms, halls, shops, steamboats, and railroad cars, or wherever a good light is desired.

Parties desirous of securing the right of territory for a valuable article that will commend itself, should make early application, only to the above address.

Applied to all styles of Oil, Kerosene, Camphene, and Burning Fluid Lamps, also with founts and on pressure to all kinds of Gas Fixtures, making its own gas in the burner as fast as required from Burning Fluid. By a simple screw it is instantly reduced from a full blaze to a small one, and as quickly restored. Always ready and in order. Goods forwarded to all parts of the United States, by express. Payable, Cash on delivery. Send your orders as above.
