

# PERMANENT CURE OF SCROFULOUS SORES.

**Mrs. W. Bennet, Crewson's Corners, Ont., had 3 running sores on the neck.**

**B.B.B. healed them up in 1894.**

**They have never broken out to this day.**

**T**HE story of Mrs. Bennet's cure of Scrofula, is simply another of those remarkable instances where Burdock Blood Bitters has not only been the means of giving relief for the time, but has made a cure, so effective and permanent that after the lapse of five years there has been no sign of the disease returning.

Scrofula is one of the hardest diseases to cure, and scrofulous sores the hardest to heal. It is so malignant and deep seated in its nature, that ordinary medicines and ordinary doctors' treatment are of little benefit.

Burdock Blood Bitters, though, even in these worst diseases, does not fail those who put their confidence in it, and those with ailments less malignant and less severe in their nature, need surely not hesitate to use B.B.B., as if it can conquer diseases of such a nature it can surely not fail to cure those of less severity.

**This is the letter Mrs. W. Bennet wrote in the year 1894:**

"After having used Burdock Blood Bitters for Scrofula in the blood, I feel it my duty to make known the results. I was treated by a skilled physician, but he failed to cure me. I had *3 running sores on my neck*, which could not be healed until I tried B.B.B., which healed them completely, leaving the skin and flesh sound and whole.

MRS. W. BENNET.

"As long as I live I shall speak of the virtues of B.B.B., and I feel grateful to Providence that such a medicine is provided for sufferers."

MRS. W. BENNET.

**The following is the letter written July 1st, 1898:**

"I have not had a sore or any signs of running from my neck since I wrote an account of my case in 1894.

"I have better health since than I had for ten years before it. Burdock Blood Bitters saved me from an early grave.

"When the doctor was attending me my friends and neighbors came looking for my death every day.

"If you doubt what I say write to my neighbor, Mrs. Morgan, or Mrs. John Cripps. She waited on me for two weeks, and see what she will say about my case. They have told the community I had risen from the grave.

"My case has been the means of selling hundreds of bottles of B.B.B. in the villages of Acton and Rockwood. I am yet sounding its name wherever I get the chance, and will so long as I live.

"Any one who wants to hear what B.B.B. has done for me, let them write to me and I will answer them.

"I thank God for such a medicine for the sick."
