March 19, 1868. THE BEST AND CHEAPEST FAMILY SEWING MACHINE

IN THE WORLD. THE \$25

NOVELTY SEWING MACHINE.

It makes the famous elastic lock stitch that will not rip or ravel, and will not break in washing, ironing or wearing. It is adapted to all kinds of family sewing, and to the use of seamstresses, dressmakers, and indeed for all purposes where sewing is required. It uses the straight needle, which is not so liable to break as the curved. It does not soil the dress of the operator, and does not require to be taken apart to be oiled. It is not injured by being turned backward, and is therefore not liable to be put out of order by children or in-experienced persons. It is made in the most thorough manner of the best material.

For beauty and excellence of stitch, for strength, firmness and durability of seam, for economy of thread, for simplicity and thoroughness, and for cheapness, this machine is WITHOUT A RIVAL.

AT THE MASSACHUSETTS STATE FAIR OF 1867 THE NOVELTY SEWING MACHINE TOOK THE PREMIUM OVER WILCOX & GIBBS, AND WAS AWARDED A Bronzs Medal Therefor.

Every machine is sold with a table and com-

plete outfit, and is warranted for one year. S. E. H. VANDYKE. General Agent.

RADWAY'S READY RELIEF

IN ITS SIMPLICITY AND GRANDEUR

We will first consider in its capacity as a special-y our far-famed remedy Radway's Ready Relief, embolized throughout the civilized world under the significant alliteration R. R. R. This remedy

symbolised throughout the civilized work a their the significant alliteration R. R. R. This remedy is happily possessed of properties that give immediate and positive proof of its excellence, that the most skeptical can feel its power in a few seconds, especially where the sufferer is the victim of excruciating pain. It is not a question with this remedy of time it takes to remove the perception or sensa-sation of pain, or of the cost; for the moment it is applied to the part of the body where pain exists the patient is relieved. And it the pain is from an established disease, a cure will soon follow.

The Ready Relief is a vegetable remedy. It is pure, safe, and innocent. It is quicker in subduing pain and making the patient comfortable than Morphine, Chloroform, Ether, Opium, or any other agent. Its simplicity of application readers it a valuable household necessity, and its usefulness covers the entire range of family accidents that are liable to occur at any moment. The Ready Relief should be kept in every house, for if any injury or accident occurs to child or grown person, its use will prove of immediate service. It matters Relief should be kept in every house, for if any injury or accident occurs to child or grown person, its use will prove of immediate service. It matters not what the difficulty may be. Burn, Scald, Fall, Bruise, Cut, Wound, Poison, Sprain, Strains, Pain, Ache, Cough, Cold, Croup, and a hundred other annoyances that are constantly taking place in every family, this READY RELIEF will in a few minutes, prove its value. If suddenly seized with sickness, and you have no faith in medicanes but wish for a doctor the Ready Relief will suspend or check the progress of the disease at once, and in ninety times out of one hundred, oure the patient before the doctor arrives. It can never do harm, but will always do good.

ITS GRAND POWER IN THE PREVENTION AND CURE OF PESTILENTIAL AND CONTAGIOUS DISEASES.

It is in diseases where immediate and absolute assistance and relief is required wherein this remedy proves its superior, and we might say, supernatural Power in saving life, and promoting

health.

In cases where Epidemic Diseases, Pestilence, Small Pox, Fevers, &c., exist, this remiety proves the potent power of a disinfectant, neutralizer and cure. No one that uses the Ready Relief when Asiatic Cholera, Yellow Fever, Typhoid Fever, Small Pox. Diptheria, &c., prevail in a c-mmunity, will be scized with these diseases; and if seized when using it, will be cured if the directions are followed. Simple as this remedy is, it possesses the elements of cure of the most violent, painful, and fatal diseases that scourge the earth.

THE PROPERTIES OF THE READY RE-LIEF ARE COUNTER-IRRITANT, RUBEFACI-ENT, ANTI-SPASMODIC, DISINFECTANT, ANT ISEPTIC, DIFFUSIVE STIMULANT, TONIC, NERVINE, ANODYNE, ANT-ACID.

Its use in Asiatic Cholera, either as preventive or cure, is of more value to the world than all other discoveries in vogue.

It instantly secures rest, stops the Cramps and Epsams, and holds the constituents of the blood together, equalizing the circulation, and preventing the separation of the watery constituents from the other preperties of the blood, and arrests vomiting and purging. In Yellow Fever it is likewise all potent, and with the assistance of Eadway's Pills, will protect those exposed from attacks, and cure potent, and with the assistance of Radway's Pills, will protect those exposed from attacks, and cure them that may be seized.

In Fover and Ague, Typhoid, Bilious, Scarlet and other Fevers, its use will always insure a cure. In Rheumatism, Neuralgia. Gout, Tie Doloreux, Sore Throat, Diphtheria, Influenza, in all cases of indammation, the Ready Rejief, assisted when required with the Resolvent and Pills, will surely effect a cure.

NEW IMPROVEMENT IN READY RELIEF.

New Corks, Large Bottles.

We have at last succeeded in getting a Cork that will prevent the evaporation of the Relief. The substitution of the India Rubber Stopper will prevent the evaporation of the volatile proper-ties of the Relief. Pain is supposed to be the lot of us poor mortals as inevitable as death, and liable at any time to come upou us. Therefore it is important that remedial agents should be at hand to be used on an emergency, when we are made to feel the excruciating agones of pain, or the depressing influences of diseases.

Such a remedial agent exists in Perry Davis' Pain-Killer, the fame of which has extended over all the earth. Amid the eternal ices of the polar regions, or beneath the intolerable and burning sun of the tropics, its virtues are known and appreciated. And by it, suffering humanity has found relief from many of its ills. The effect of the Pain-Killer upon the patient, when taken internally in cases of Cold, Cough, Bowel Complants, Cholera, Dysentery, and other affections the system, has been truly wonderful, and has won for it a name an ong medical preparations that can never be forgotten.
