

This paper is issued at the beginning of every month. Its purpose is to be a record of events of local interest, and a medium of information to persons attending the services. It claims only to be *semi-official*, and the Dean is not responsible for its contents.

The choir boys remained in camp a week longer than arranged, at the invitation of the owner of the property on which the camp was pitched. This was very gratifying in view of the fact that there had been so much trouble with boys occupying similar camps in the same neighbourhood that it was only with great

difficulty that a site was obtained. We understand that the invitation to prolong their stay was expressly given in consequence of the good behaviour of our boys.

Mr. Sexton is expected to return this week and resume his place at the organ. Our thanks are due to Mr. Emanuel Woods who has supplied Mr. Sexton's place in his absence.

Mr. John Wood, Librarian of the Sunday school, has had a catalogue of the books printed which will be a great convenience. It contains 171 books, a number quite inadequate for the proper equipment of the school. Why should not each member of the congregation give one more book?

The school re-opens on Tuesday, 13th inst. It is fully expected that the number of boys will be materially increased.

The Cricket Club were unfortunate in their match against the Toronto-Rosedale Club, on the grounds of the latter, on the 27th ult., a reverse which can scarcely be regarded as satisfactorily balanced by a victory won from St. Simon's on the 3rd inst.
