# Lister

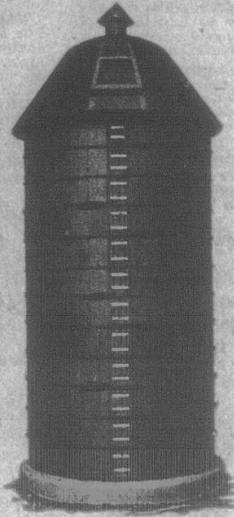

POWER ON THE FARM

The NAME that  
stands for  
Quality in Farm  
Machinery

#### YOU SHOULD OWN YOUR OWN THRESHING OUTFIT

The Lister Ideal Thresher, with or without Lister Engine and with either blower or carrier, is an outfit you can afford to buy. Low in cost and upkeep, built on simple, practical lines, and as EFFICIENT as the large machines. It offers you all that any threshing outfit can offer. Write for our catalogue GT.

#### Have You Ordered Your Lister Silo?

You can't buy a better silo than the Lister 1917 Hip Roof Silo — but you can buy many which are not as good.

The material is selected No. 1 Canadian spruce, and the workmanship the best. The dressing preserves the silo for a lifetime. The door frame and doors are built to form a ladder.

## About That Tractor!

A great many Ontario farmers have made good with farm tractors this spring—those who bought GOOD tractors! And the "AVERY" is a good tractor—we know, because we have sold several hundred of them in England, Scotland, Ireland and Wales, in Ontario, Quebec and Maritime Provinces. On application we will send you photos of AVERY TRACTORS in use in Ontario, and testimonials from the owners.

#### Tractor Farming Pays

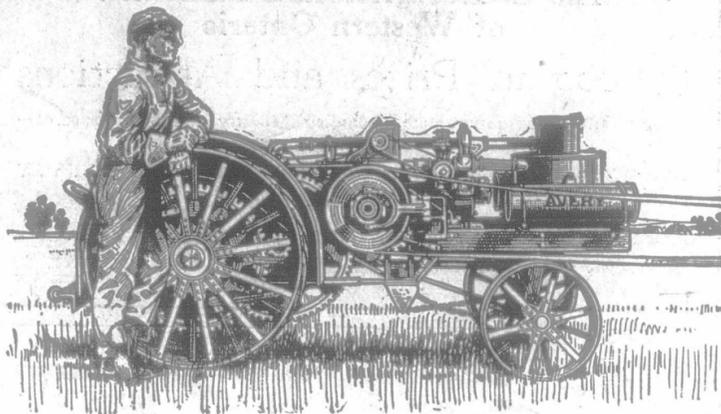

You can practice the best methods of farming with a tractor. Plow deep and do all your work at the right time to get the best results. Besides, you have all the power you need for belt work.

The AVERY Tractor is built in six sizes.

A size for every size farm.

A size for YOUR farm.

Catalogue GA.

When you buy an AVERY Tractor you can rely on SERVICE.

An expert starts the tractor for you and instructs you in its use, and is available at any time afterwards.
