In order that the Farmers of Canada may have an opportunity of learning of some of the improvements being made in Farm Machinery

THE FARMERS' CO-OPERATIVE HARVESTING MACHINE CO.

will exhibit their CLOKEY BINDER at this year's Toronto Industrial Exhibition, in the Implement Hall, thus, as far as in their power, making up to the farmers for their having been deprived by manufacturers from comparing exhibits of Farm Machinery during the past few years at the Industrial. Every farmer is invited to inspect our machinery and learn the aim and objects of this great farmers' company.
