

Page Fences Wear Best

Because

- Wire is double strength.
- Wire is coiled—not crimped.
- It has twice the elasticity.
- Wire is not injured at joints.
- Joints cannot slip—see cut of lock.
- Superior quality galvanizing.

Page Fences are painted WHITE—this is our trade-mark; don't rust and are easily seen. Two styles: The old reliable "Page" with continuous wrapped stay, or the "Page Empire" with straight stay. In medium weight or extra heavy—all No. 9.

THE RAZOR STEEL, SECRET TEMPER, CROSS-CUT SAW.

We take pleasure in offering to the public a saw manufactured of the finest quality of steel, and a temper which toughens and refines the steel, gives a keener cutting edge, and holds it longer than by any process known. A saw to cut fast "must hold a keen cutting edge." This secret process of temper is known and used only by ourselves. These saws are splayed ground thin back, requiring less set than saws now made perfect taper from tooth to back. Now, we ask you, when you go to buy a saw, to ask for the Maple Leaf, Razor Steel, Secret Temper Saw, and if you are told that some other saw is as good, ask your merchant to let you take them both home, and try them, and keep the one you like best. Silver steel is no longer a guarantee of quality, as some of the poorest steel made is now headed silver steel. We have the sole right for the "Razor Steel" brand. It does not pay to buy a saw for one dollar less, and lose 25 cents per day in labor. Your saw must hold a keen edge to do a large day's work. Thousands of these saws are shipped to the United States and sold at a higher price than the best American saws. Manufactured only by

Galvanized Watering Bowls

Of Improved Construction

You cannot afford to be without them, as they will pay for themselves in a short time by increased returns from your stock. Our bowls are superior to any others, and our free literature tells why. Our new stanchion is in great demand. It seems to be just what progressive stockmen have been looking for, and we want to send you our circulars. If you intend building or repairing, or want to cover up an old plaster ceiling, give us particulars, and we will mail free catalogue giving information.

"Clarke's" Gloves, Mitts Moccasins, etc. are Branded

The unstamped, unknown value Nugget

You know the value of a piece of gold or silver by its stamp or brand—the stamp is the government's guarantee of its worth; without the stamp you would doubt its value, and would not accept it.

Stamped Coin, showing exact value

Leather values, unstamped, are just as deceptive as gold or silver values unstamped, and in order to protect the people who buy and wear our goods, we have stamped our name on every article. Our stamp means our guarantee of value to you, just the same as the government's stamp.

If you insist on buying gloves, mitts, moccasins, etc., with "Clarke's" stamp you will know exactly what kind of leather you are buying, and have our guarantee of its value.

Only the best materials, finish and workmanship are used in "Clarke's" lines.

Sold by all dealers. Catalogue free for the asking.
