

Sunshine Furnace

DOUBLE FEED-DOORS

Just about the meanest thing a furnace can have is a dinky little door. Ever have one? Hit the edge as often as the hole? One has to be an expert stoker to shovel coal into some furnaces. If you're not an expert you'll get as much on the floor as in the furnace.

The Sunshine furnace is equipped with a good, big door. You can put your shovel in and drop the coal just where it is wanted—no trouble, no taking aim, no missing, no scattering, or annoyance.

Everything about the Sunshine furnace is on the same scale of thoughtfulness.

Sold by all enterprising dealers. Write for booklet.

BRECHE A MANON LADY

TELLS OF HER EXPERIENCE WITH

DOAN'S KIDNEY PILLS

The Great and Well-Known Kidney Specific for the Cure of all Kidney and Bladder Troubles.

Mrs. P. Bertrand, Breche A Manon, Que., writes:—I think it nothing but right for me to let you know what DOAN'S KIDNEY PILLS have done for me. For five months I was badly troubled with a sore back, and such severe pains in my kidneys that I could scarcely walk at times. I got a box of DOAN'S KIDNEY PILLS, and before I had them half taken I was greatly relieved, and with another box I was completely cured. I cannot help but give them all the praise I can, and will never fail to recommend them to all kidney sufferers.

DOAN'S KIDNEY PILLS. are 50c. box, or 3 for \$1.25; all dealers or The Doan Kidney Pill Co., Toronto, Ont.

TRADE NOTES.

A FAMOUS SHEEP DIP RECORD.—A careful record was made at the Royal Show of England last year, when it was discovered that over 95 per cent. of all the sheep exhibited had been dipped in the well-known Cooper Dip. After sixty years' use this is truly a fact the manufacturers should be proud of.

One half of the whole number of sheep in the world are dipped in Cooper Dip year by year. The makers prove this by the amount of dip that leaves their factory and the number of sheep known to exist according to the official records.

A sheep dip that kills insects without injury to the animal or its skin and fleece, prevents fresh attacks, kills nits and eggs also in one dipping, has no objectionable smell, and acts also as a tonic and stimulant to the fleece, certainly has claim to patronage. The Cooper Dip meets all these conditions.

ZENOLEUM.—The following information received from a Canadian Government official, Dr. George H. Acres, V. S., Northwest Mounted Police, Dawson, Yukon Territory, is quite relevant to stock conditions at present:

"I beg to say it affords me much pleasure in highly recommending Zenoleum disinfectant and dip to all persons engaged in ranching, stock and horse raising, sheep ranchers, etc., as a most efficient and fair means of keeping stock in a healthy condition. I have used it on my stock, and have always highly recommended it to every one I knew in need of any such article for their live stock. I can also add that it has always given me the greatest satisfaction, and I have never known it to fail."

"G. H. ACRES, V. S."
