Hon. ALEX. MACKENZIE, M.P., President. Hon. ALEX. MORRIS, M.P., Vice-Presidents. J. L. BLAIR, Esq.

In thanking you for the promptness with which you have paid the amount of your policy, No. 8838, on the life of my late husband, I feel it is only due to you and the insuring public, that the liberal treatment you extend to claimants, as proved in my case, should be made known. A little over one year ago my husband insured his life in your Company. I advised you this afternoon of his death, which occurred early this morning, and I was pleased to find that you paid the amount of the policy in full on my call at your office, and furnishing you with satisfactory evidence of his decease.

JANE ELIZABETH FRANKLIN.

CONFEDERATION Life Association.

THE FOLLOWING PROFIT results in this Association will be of interest to intending insurers: Policy No. 618, issued in 1872, at age 30 for \$1,000 on the All-life plan. Annual premium \$30.89.

At the Quinquennial Division on the close of 1876, the holder elected to take his profits by way of TEMPORARY REDUCTION of Premium, and has had the benefit of the same.

This Policy-holder will, at the ensuing Quinquennial Division, after the close of the present year (1881), have a TEMPORARY REDUCTION for the ensuing five years \$9.78, EQUAL to 46 2/3 per cent. of the annual premium.

The cash profits for the five years are \$42.83, equal to 41 per cent. of the premiums paid during that period.

The cash profits if used as a PERMANENT REDUCTION would reduce all future premiums by \$2.65, equal to 12 2/3 per cent. of the annual premium.

The above unsurpassed results are the profits for the SECOND FIVE YEARS of the policy.

The next Quinquennial Division takes place as early as possible after close 1881.

Hon. Sir W. P. HOWLAND, C.B. K.C.M.G. J. K. MACDONALD, Managing Director

Read the following Letter which speaks for itself.

Toronto, 4 Argyle-st., December 11th, 1887. S. L. NASH, M.D.—Dear Dr.,—I take great pleasure in saying your treatment of my wife by inhalations for an affection of the bronchial tubes has proved most satisfactory. After being treated by several prominent physicians of Toronto, I almost despaired of her being relieved of the distressing cough which clung to her in spite of the best efforts put forth by skilled men to relieve her, and pronounced by some as incurable. Now, after a lapse of almost nine months since discontinuing your treatment, she has passed the fall weather without any signs of her old complaint returning. Yours respectfully, JOSEPH POWELL.

A personal examination is preferable, after which you can be treated at home. If impossible to call, write for Questions and Circulars. Consultation free. Fees moderate. Address—DR. NASH, "Toronto Pulmonarium," 123 Church-street, Toronto, Ontario.
