OPPORTUNITY

Opportunity, according to a well-known poem, comes but once; while another equally meritorious poem states it is continually knocking at one's door. Both are relatively true of Life Insurance. The opportunity to insure is yours to-day, but owing to the uncertainty of life, may never come again.

If you are absolutely certain that you will live to a ripe old age, in the full enjoyment of your health, the opportunity will no doubt come often, but are you? Our business is to carry the risk on your life.

Write us, stating your age, nearest birthday, for full particulars as to our guaranteed plans.

Service

is giving the customer what he wants when he wants it. If you talk him into taking what he doesn't want you are wasting your time and his good-will. The talk that gets repeat orders is the continuous conversation of the good job that speaks for itself. The Monetary Times Printing Company has a reputation for that class of printing—and we live up to that standard.
