Spring is the Time

When Impurities in the Blood Should Be Expelled.

Canada's Greatest Medicine is the Best Spring Medicine.

In winter months the perspiration, so profuse in summer, almost ceases. This throws back into the system the impurities that should have been expelled through the pores of the skin. This and other causes makes the blood impure in spring. Boils, pimples, humors and eruptions then appear or some more serious disease may take its start. Hood's Sarsaparilla is the remedy for impure blood in all its forms, as proved by its marvelous cures of blood diseases. It is therefore the medicine for you to take in the spring. It expels all humors, and puts the whole system in good condition for warmer weather.

Hood's Sarsaparilla

Is Canada's Greatest Medicine. Sold by all druggists. 81; six for \$5. Get only Hood's.

Hood's Pills are the only pills to take with Hood's Sarsaparilla.

A BACHELOR'S REFLECTIONS.

Love may be weakness, but it knows its business.

A woman has no conscience as far as a man isn't concerned.

Probably Joan of Arc was burned to death because she wore clothes like a man.

If a man can only keep a girl hating him long enough she is pretty sure to fall in love with him.

Whenever you accuse a girl of being jealous, she says it is because you have no conception of her real feelings.

It's a hard strain on a man to have the minister come to supper the same day he had to get the clinkers out of the furnace.

When two girls tell each other about their engagements they always kiss each other, call each other "Dear," and then cry because they feel so happy.

You can always tell whether a man or a woman runs the house by watching at what age the youngest boy gets suspenders and what age the oldest girl does her hair up.

Every woman has her times when she wishes she dared act the way she did when she was little and used to make faces and stick out her tongue at the neighbors' children.

SHE AGREED.

He—Do you know that I have never dared to kiss a girl in my life? My lashfulness is positively painful.

She—I should say it was.

"A Thing of Beauty is a Joy."

Nerviline is a joy also. No remedy in the world equals it. Neuralgia and rheumatism are relieved almost instantly and minor aches and pains are cured by a single application. Nerviline is sure to cure.

AN OVERSIGHT.

I thought that she and you had arranged to elope, Chumpley.

We had, but I only figured railroad fare one way. Of course we must have round trip tickets. That necessarily deferred the happy event.

"Quickcure" destroys the germs, called cocci, that cause boils and carbuncles, reduces the inflammation and removes all pain.

MATERNAL TRIALS.

Edie, cried the mother from the hall below, what's all that noise up stairs? It's shocking!

O, it's these two dolls of mine, mamma. I'm going to put them right to bed and see if we can't have a little peace.

GOOD JUDGES.

Railway companies are especially good judges of farm fences. Their object is to get a perfectly stock-proof fence at the least cost, and they investigate thoroughly before buying.

It speaks well for the Page that it is now used on all of the leading railways in the United States, England and Canada. At this time we have orders booked from railways in Canada for 270 miles of our fencing, all to be shipped this season. And this fence is just as good for farmers as for railroad companies.

For illustrated advertising matter apply to us or to your nearest Page fence dealer.
