## ALL AGREED THAT RETREAT IS IMMINENT

### Paris Finds Assurance in the News From the Front.

[By Special Wire to the Courier]  
PARIS, Oct. 9.—Most of the letters from soldiers at the front speak of the great battle that is expected for the morrow that will decide the great struggle along the Aisne and the north, which shows that they, as well as the military critics, are baffled by the immense operations, of which big battles here and there constitute mere details.  
Heavy fighting occurs every day along some part of the battle line, the importance of which cannot be gathered from the sober details of the official statements, and so it is impossible to assemble all of the simultaneous movements bearing on the general situation. As a consequence, the reviews of the situation by critics this morning resemble what they said yesterday and the day before. All are agreed, however, that developments are favorable to the allies, and all emphasize the advantage gained from splendid health and spirits shown by the army, which the war department is doing everything possible to maintain. It has just forwarded a million suits of underclothing which supplemented private contributions of clothing. The war department is also sending sweaters, jerseys and flannel belts for the use of the soldiers in the winter campaign.  
While points of the greatest interest have been at the point of the elbow of the battle line in the region of Roye and on the extreme left, attention is called to the importance of the Germans retreating movement on the right bank of the Meuse beyond Hatton Chatel, which endangers their last position in the region of St. Mihiel. It is not considered possible that the Germans can remain in this region, and their retreatment may entail a general retreat of the army operating between the Meuse and the frontiers.  
The suggestion is made in Paris this morning by some observers that the Germans are building out first and then retiring to a line of defenses prepared in Belgium, as it is not possible for them to find reinforcements to counter balance the fresh troops coming and coming to strengthen the allies.  
The transfer of the seat of the Belgian government from Antwerp to Ostend was not made public in Paris until this morning, but then the fall of Antwerp will scarcel shake French confidence in the success of the efforts of the allies to push the Germans back over the frontier.  
Unimpeachable—if you were to see the unequalled volume of unimpeachable testimony in favor of the Allies, you would uphold yourself for so long delay in their effective machine for the blood disease from which you are suffering.

## PLANNED LONG AGO.

LONDON, Oct. 9.—Telegraphing from Ostend, The Daily Express correspondent sends the following: "The German plan for the reduction of Antwerp has carefully developed for many weeks past. The serious bombardment will only be begun when, in the opinion of the commandant, he is in a position to take the city with little delay. Emplacements for the big guns have been carefully constructed at most advantageous positions. These guns were brought from Namur and Maubeuge. The Germans have a large number of them at their disposal."

## LESS MEAT IF BACK AND KIDNEYS HURT

Take a glass of Salts to Flush Kidneys if Bladder Bothers you.  
Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked get sluggish; clog up and cause all sorts of distress, particularly back-ache and misery in the kidney-region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.  
The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.  
Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

## BERLIN STATEMENT

### Russian Advance in East Prussia is Admitted by Germans To-day.

[By Special Wire to the Courier]  
LONDON, Oct. 9.—10.40 a.m.—The official communication of the German general staff, given out at Berlin in the evening of October 8, is contained in a despatch to Reuters' Telegram Co. from Amsterdam. It says: "From the western scene of war no facts of decisive importance can be mentioned. Small progress has been made near St. Mihiel and in the Argonne."  
"Before Antwerp, Fort Breendonk (to the south of Antwerp) has been taken and the attack on inner fort line has begun there-with. The bombardment of the quarter of the town lying behind was being after the declaration of the commander of the stronghold that he took the responsibility.  
"The airship hall at Dusseldorf has been hit by a bomb thrown by a hostile aviator. The roof of the hall was pierced and the cover of an airship in the hall was demolished."  
"In the east the Russian column is marching from Lomza (Russian Poland) and has reached Lyck (in east Prussia, just beyond the frontier and almost directly west from Augustow)."  
VIENNA, Oct. 9, via Amsterdam, and London, 11.20 a.m.—The following official announcement, signed by General Hoeffler, deputy chief of staff, was given out at Vienna to-day:  
"Our troops have made further advances, and yesterday they repulsed the enemy on the road to Przemysl near Baryoz, west of Dinow. Przemysl has been recaptured and garrisons taken."  
"In the territory between the River Vistula and the River San we took many prisoners from the fleeing Russians."  
"The renewed violent attacks on Przemysl have been splendidly repulsed, and the enemy's dead and wounded are counted by the thousands."  
"We have had victorious battles at Saiget, in Marmaros Co., Hungary and in east Galicia. The landsturm of the 1st Legion rival each other in gallantry."
