CHARACTER IN MEDICINE

There is character in Dr. Chase's Ointment—just such character as has made Dr. Chase esteemed and admired the world over. Dr. Chase's Ointment has stood the test of time and remains today the only actual cure for Piles and Itching Skin Diseases. It is the standard Ointment of the world. You can rely on it just as you rely on Dr. Chase's Receipt Book, because you know that it is backed by the sterling character of Dr. Chase—America's Greatest Physician.

SUMMERVILLE

Sept. 30th—Refreshing showers fell during last week. We all welcome the same, but farmers say had they come before greater good would have been done.

Miss Georgie McNealy of Newton Centre, who has been visiting her parents during the summer returned to her home on Wednesday. Her sister accompanied her as far as Windsor.

Master Gordon Marsters claims to have picked up a "bottle of fire water", after the passengers of S.S. Avon had taken their departure one day last week. Why is this poison allowed in our settlement?

Mr. Editor. Can you inform the "Advance readers," who the friend is who visits his uncle so often? We fear the uncle will soon weary of his company.

IT STRIKES THE HEART

Not only is the victim of Rheumatism a constant sufferer, but he lives in continual dread that the disease will reach the heart which means sudden and unexpected death. Rheumatism can only be cured when the uric acid is removed from the blood by the healthy action of the kidneys. Dr. Chase's Kidney-Liver Pills make the kidneys healthy and vigorous, and so gradually and thoroughly cure Rheumatism by removing the cause. One pill a dose, 25 cents a box.

BROOKLYN, HANTS CO.

Sept. 30.—Brooklyn is famous for tea meetings. Being centrally situated, people come for miles around to take in these enjoyable occasions. The Episcopal church tea meeting on the Rectory grounds Tuesday, 24th, was one of the best held here for a long time. One of Windsor's bands was on hand to discourse sweet music to the large crowd. A special train was run from Windsor. Some \$263. was realized, to go towards the new church now being reared in handsome proportions, in a slightly spot in the village. The rector, Mr. Zwicker, and others in charge, are to be congratulated on the success of their efforts to raise money for this laudable object.

Lignum vitae is the toughest wood known. It cannot be worked by splitting.

Minard's Liniment Cures Gargol's Cows.

AND NONE SORROWED

One took the paper and his life was happier than a king's. His children all could read and write and talk of men and things.

The other took no paper, and while strutting through the wood, A tree fell down upon his crown And killed him as it should.

Had he been reading of the news At home, like Neighbor Jim, I'll bet a cent that accident Would not have happened to him.

Are you willing to share honest poverty with me, darling? I'm sorry Mr. Noesish, but I have already promised to share Mr. Millyun's wealth, and no questions asked.

You Can Lead a Horse

to water but you can't make him drink.

You can't make him eat either. You can stuff food into a thin man's stomach but that doesn't make him use it.

Scott's Emulsion can make him use it. How? By making him hungry, of course. Scott's Emulsion makes a thin body naturally hungry didn't you? Well it isn't. A thin body is asleep—not working—gone on a strike. It doesn't try to use its food.

Scott's Emulsion wakes it up—puts it to work again making new flesh, That's the way to get fat.
