Open Stock Semi-Porcelain and China Dinnerware at Weaver's

I do not need to tell you of the advantages of buying your Dinnerware in open stock patterns. I have five very pretty designs to choose from. Three in English Semi-Porcelain, and two in Japanese China.
You may buy as much or as little as you wish. The price is the same whether you buy a cup and saucer or one hundred pieces. One advantage in buying now, is that the prices are quite a bit less than they will be when I replace my present stock with new. Prices on all kinds of this ware has advanced from 15 to 20 per cent since the first of January.
Plain white Cups and Saucers \$1.10 1/2 doz; China Cups and Saucers, clover design, 1/2 doz \$1.20

LONDON, Feb. 3—The admiralty gave out the following today: "Naval aircraft bombed the Varsenaere airdrome (Belgium) on Saturday morning. Fire was caused by a direct hit. An enemy machine engaged in photographing reconnaissance was attacked and destroyed. All our machines returned safely."

Fourteen Machines Downed.

ROME, Feb. 2—Fourteen enemy airplanes and a captive balloon were brought down yesterday on the Italian front. Heavy artillery fighting is in progress along the lower Piave river. Following is the official account of these operations:

BOLSHEVIKI HAVE CAPTURED ODESSA.

Jassy, Roumania, Feb. 1—Odessa was captured by the Bolsheviki Saturday night. The Bolsheviki troops are now in full control of that city. Kishinev, capital of Bessarabia and the scene of Jewish massacres fifteen years ago, was taken today by Roumanian forces, who were sent there in response to an appeal for aid from the local Bessarabian government. The Bolsheviki have captured Orenburg, capital of the government of Orenburg.

EDITH MAY CLOWRY

The death took place at Kentville Jan. 24th of Edith May Clowry youngest daughter of Mrs. J. H. Pulsifer of Sunny Side at the early age of Seventeen years and three months.

Her illness only covered a very short period but was attended with severe suffering borne with extreme patience, and during the last few days she lived it was evident she was beyond all medical skill.

For over a year she had been employed at the N. S. Sanatorium where she faithfully attended those with whom she came in contact, as was shown by the many expressions of sympathy by those who knew her best.

The funeral took place from the residence of J. H. Pulsifer and in spite of the bitter cold wind was very largely attended.

The service being conducted by Rev. A. W. West, of Kentville. The flowers laden casket was borne from the house by six soldiers at their request the pall bearers at the grave being Messrs Arthur and Harold Dodge, Roy Pulsifer and Dan Phalen.

A large body of soldiers being unable to get to the service at the house met the remains at the cemetery to pay their last respects to the departed.

The burial took place in the family lot at the "Oaks," where the remains were laid beside those of her father who predeceased her six years ago.

The floral offerings were beautiful consisted of "Broken Circle," "Anchor," "Wreath," from the Military Boys, "Cross," from the "Girls," "Pillow" from the "Staff at the Sanatorium." A mother, three brothers, Charlie, some where in France, Hilbert and Seamon at home, and one sister Mrs. H. Howe Pulsifer are left to mourn the loss of a daughter and sister. — (Halifax papers please copy).
