Ladies' Tailoring
We address ourselves to-day to the conservative ladies
who dress well, who like to carry their individuality into what
they wear; who are particular about their attire—to those
who never did, possibly never will wear ready-made. Ladies
tailoring springs to your thoughts at once.
For those who prefer something a little better than the
average, we make jackets, blouses and Capes to order at
prices within the reach of moderate means.
We are in a position where we can guarantee satisfaction
to the extent of refunding money if necessary.
Samples sent promptly on application.
