Queen St., Uptown, Almost Opposite Peoples Bank.

THE ROYAL VISIT.

Hope That His Royal Highness May Yet Visit
Fredericton---Mayor Crockett's Letter.

There is a very strong desire on the part of all citizens that the Duke of York should include Fredericton in the cities to be visited during his tour through Canada. His Worship Mayor Crockett is exerting himself in the matter and beside bringing the question before the City Council His Worship wrote the following letter to the Premier of Canada.

Mayor's Office, Fredericton, N. B., June 11th, 1901.

To the Right Hon. Sir Wilfrid Laurier. Dear Sir,—On the 11th ult. I presented to their Royal Highnesses the Duke and Duchess of Cornwall and York, through His Excellency the Governor General, an invitation to visit this city during their tour of the Dominion. His Excellency's reply held out some hope that Fredericton would be honored with a Royal visit; but recent announcements in the press force me to conclude that our citizens are not to have the opportunity of doing honor to the heir apparent to the throne. Our older citizens recall with great pleasure the visit of His Majesty King Edward to Fredericton in the year 1881, and they were looking forward with the most pleasant anticipations to having among them, for a few hours at least, their future King.

I would be greatly pleased if you would use your great influence to have Fredericton placed upon the list of cities to be visited by the Royal party, feeling that the claims of the

capital of the province should not, if possible, be overlooked.

I have the honor to be, Sir, Your obedient servant,

W. C. CROCKETT, Mayor.

His Worship has not yet received a reply to the above. Since it has been announced that the Duke will travel from Quebec to Halifax by Intercolonial railway instead of by Canadian Pacific, so as to avoid travelling through foreign territory, it is suggested that the Royal party could easily visit Fredericton. It is the announced intention of His Royal Highness to visit St. John, and travelling via the I. C. R. this will necessitate his going from Moncton to St. John and returning over the same route to Halifax.

It is pointed out that it would be much more pleasant for the Royal visitors to take the Canada Eastern line at Chatham Junction (they will travel in special cars which could be transferred at the Junction) and come to Fredericton along the beautiful Nashwaak valley. The Royal guests could then spend a few hours at Fredericton and then proceed to St. John, either by train or steamer, and will have taken but very little more time than would be consumed in the journey from Chatham Junction to St. John via I. C. R.

Citizens generally think that if the matter was properly represented to those who have the arranging of His Royal Highness' Canadian trip that the change above outlined would be made in favor of Fredericton.

IN A PITIABLE PLIGHT.

Wreck of Steamer With Large Party of Fishermen on Board.

Gallant Attempt of Men to Save Their Families.

Several Lives Lost in the Terrible Gale—Rescued After Much Suffering.

St. Johns, Nfld., June 13.—The schooner Czar, bound from Labrador with fishermen and their families, seventy people in all, was driven ashore on Cabot Island, on the east coast of Newfoundland, in a dense fog on Sunday night. A desperate struggle with the elements ensued, the men trying to save their children in the teeth of a gale. The latter were finally saved, but four men were drowned and six others were injured. The schooner was on board of her last all their belongings. The women and children were in a pitiable plight when they reached the island, being aroused at midnight and not being able to secure scarcely any of their clothing.

PUBLIC WORKS

Contracts Awarded for Bridges and Tenders Asked For by Chief Commissioner

Chief Commissioner of Public Works Lablouis has accepted tenders as follows for bridges:

Cardigan bridge, York Co.—R. A. & Geo. A. Anderson, of Fredericton. Estey bridge, York Co.—Allen and Burd, of Burd's Corner.

Great Shemogue bridge, near Avars, Westmorland Co.—Albert E. Smye.

The Chief Commissioner is calling for tenders for Loder Creek bridge, Sheffield, Sunbury county, according to plans and specifications to be seen at the store of C. J. Burpee, Sheffield, and at the post office, Manguerville.

For rebuilding Morency bridge, near Tracey, Sunbury county, according to plans and specifications to be seen at the residence of Oscar Tracey, Tracey, and at the post office, Fredericton Junction; and for building the steel superstructure of Oak Bay bridge, Charlotte county. This bridge will be of one riveted truss span 52 feet in length and an approximate metal weight of \$10,300.

Tenders for the above mentioned bridges must be in by July 1st.

The commissioner of public works is arranging for a thorough inspection in the near future of the suspension bridge at St. John and the bridge at Grand Falls.

A. R. Wetmore, provincial engineer, has been making a survey of the covered bridge on the great road between Sackville and Amherst. It is probable a new superstructure will be erected.

AID FOR MACHINISTS.

New York, June 13.—Samuel Gompers, president of the American Federation of Labor, has made this announcement to the Washington correspondent of the N. Y. Herald: "The American Federation of Labor will aid the International Association of Machinists in every way within its power in its contest for the nine hour day."

DIED.

At Tweedside, York Co., June 10th, after a lingering illness which she bore with great patience and strong faith in her Redeemer, Margaret Jane, aged 27, daughter of the late John and Annie Wightman.
