Gold and Silver Medals, Bibles and Books,

Awaiting Those Who Enter the Union Advocate Bible Study Club

Only One Question to be Answered per Week. See Conditions Below

In order to encourage the study of the Bible, the UNION ADVOCATE has arranged to publish weekly, a series of questions on the Sunday School Lessons. All who accept the conditions stated below will be members of the Northumberland County Club, and eligible to win the prizes provided.

Persons may join the club at any time during the year, but must, of course answer the 52 questions hereinafter explained, to qualify for the prizes. It is, moreover, desirable that the questions be answered as the lessons are studied.

The International Newspaper Bible Study Club is for the purpose of promoting, in an unfettered way among the masses, a wider study of the Bible, the basal truths of Christianity, and the problems which enter into every man's life. It is composed of all those who join a Local Club, and take up the simple course herein outlined, bearing only ordained clergymen. We have the sympathetic co-operation of the latter, but it is not considered fair to have them compete for the prizes. Sunday school teachers, Bible class scholars, and church-goers generally, may belong to this Newspaper Club, also non-churchgoers, of all shades of opinion. All such who have not joined are warmly invited to do so and to compete for the prizes.

This paper has secured the right to publish the International Sunday School Lesson questions by Rev. Dr. Linscott, which have aroused so much interest elsewhere, and they will appear weekly. One of these questions each week is to be answered in writing, and upon these answers the prizes are to be awarded.

This paper is authorized to form a Local Newspaper Bible Study Club for its readers, and guarantee to all who join and fulfill the conditions, that everything herein promised shall be faithfully carried out.

CONDITIONS OF THE CONTEST.

1. Each contestant, or his or her family, must be a subscriber to this paper, (paid in advance), during the continuance of the contest, in order to qualify for membership in the International Newspaper Bible Study Club and this Local Club.
2. Each contestant in this Local Club, must answer each of the written questions, for 52 consecutive weeks, commencing for Sunday, July 5, 1908, and the answers must all be in the possession of this paper within two weeks of the close of this period, which allows two weeks grace after the close of the contest.

3. Each question must be answered separately, and the paper written on one side only. No answer must exceed two hundred words in length and the answers must all be in the possession of this paper within two weeks of the close of this period, which allows two weeks grace after the close of the contest.

4. Each answer must have the name and address of the writer at the bottom of the answer; so it can be identified, given a number, registered, 6. The answers from this Local Club must be delivered to this office, and they will be collated at the close of the contest, and forwarded to headquarters for independent examination by competent examiners. The prizes will then be awarded according to the highest number of marks, won by members of The International Newspaper Bible Study Club, and prizes which may be awarded to members of this Local Club will be given out from this office.

THE PRIZES.
First Series—A gold medal to each of the first five contestants.

Suggestive Questions on the Sunday School Lesson by Rev. Dr. Linscott for the International Newspaper Bible Study Club.

Aug. 9th, 1908.

David and Goliath.—I. Sam. xvii-38-40.
Golden Text.—In the Lord put I my trust. Ps. xli.
This lesson does not lend itself easily to a verse by verse discussion, hence the following questions are based upon the lesson story and its suggestions.

Does the fate of a nation ever materially depend upon one man, according to the teaching of history?

(This question is to be answered in writing by members of the club.)
Was David's conquest of Goliath natural or supernatural?

Could God just as easily have performed this feat, with a man who had had no previous experience with a sling?

Did God have in view this event of the slaying of Goliath, in David's previous training with the sling and stone?

Does God always arrange to give his children a suitable present training, for the work which he has in store for them in the future?

Does God always provide a way by which every enemy, or barrier, to the accomplishment of our life's work, can be vanquished?

May a strong man, in the long run, who has espoused a cause opposed to God, sometimes be successful?

Napoleon said that Providence was

Second Series—A silver medal to each of the next five contestants.

Third Series—A Teacher's Bible, price \$5.50, to each of the next five contestants.

Fourth Series—The book "The Heart of Christianity," price \$1.50, to each of the next thirty-five contestants.

Fifth Series—A developed mind, an expanded imagination, a richer experience and a more profound knowledge of the Bible and of life, to all who take this course whether winning any other prize or not.

Each medal will be suitably engraved, giving the name of the winner, and for what it is awarded, and in like manner each Bible and book will be inscribed.

All who can write, and have ideas, are urged to take up these studies regardless of the degree of their education, as the papers are not valued from an educational or literary standpoint, but from the point of view of the cogency of their reasoned ideas.

PAST QUESTIONS.

For July 5th, the Lesson text was I Samuel VIII, 1-22, and the verse to be answered in writing was:

Granted that God is a real Almighty person, so to speak, right at the elbow of every man, to protect him, and to supply all his needs, then what is the great defect in modern preaching, and in average Christian Experience?

For July 12, the text was I Samuel X: 17-27, the whole ninth and tenth chapters to be read. The special question to be answered in writing was:

When a company of godly men seek to know the mind of God, may that mind be found by a ballot or the casting of the lot, or is there a better method? (See Acts 1:23-30 XII:2)

and then the name cut off so the examiner may know it by number only.

5. Students should be careful to understand the question before answering. To do this, the lesson text must be read, and especially the verse, or verses, upon which the question is based.

The special question to be answered in writing for July 19 was:

Verse 1—When individuals or the people choose a wrong thing, can it ever be made to work out for their good? (This question must be answered in writing by members of the club.)

The special question to be answered in writing for July 26 was:

How can you justify God for commanding this wholesale slaughter of men, women, children and animals? (This question must be answered in writing by members of the club, but do not attempt an answer without thorough enquiry and investigation.)

The verse to be answered in writing for July 29th was:

How can you justify God for commanding this wholesale slaughter of men, women, children and animals?
