

BASEBALL FENCE TO COME DOWN

Parks Commissioners Solve
the Dundurn Problem.

ABOUT A BEACH CONSTABLE

Yesterday Afternoon Chairman Wright, Mayor Teetzel, Messrs. Southam, Tilden, Fearman, Roman and Kilvington Considered Parks Business.

Ald. Fearman, Ald. Walker and Ald. Findlay appeared as a deputation from the Harbor and Beach Committee, in support of a request that the Parks Board contribute one-third of the salary of the Beach constable.

Chairman Wright—Do we get anything from the Beach? (Laughter.) Ald. Fearman—Yes; you get \$240 of the revenue.

Chairman Wright—That goes to pay the rent of that Armstrong lot at Elmore.

Ald. Walker—We will pay one-third. Saltfleet township another third, and if you put up the rest you can appoint the officer.

Mr. Southam thought Saltfleet should pay all the salary of the constable.

Ald. Walker said that the constable was largely required to keep order at the city parks on the Beach. Valentine Flood has done work for the Parks Board on the Beach, and Mr. Southam wanted him appointed on the Beach.

Mr. Kilvington had appointed Wm. Curtis at \$3 a week to take care of the Beach parks and he objected to any change.

Ald. Findlay pointed out that the appointment of a regular policeman would cost the Board only \$15 a month, and that man could do the work of cleaning up the parks as well as patrol the Beach.

On motion of the Mayor, it was decided to authorize Messrs. Tilden, Roman and Kilvington to act with the aldermen in arranging for the appointment of a Beach constable. The Parks Commissioners will make the appointment, provided the aldermen and Saltfleet Council puts up two-thirds of the \$45 salary monthly.

A complaint was received about the sprinkling of the walks in Gore and Wellington Parks with tobacco juice, and the board decided to have a regulation prohibiting this posted in both the parks.

Chairman Findlay, of the Board of Works, agreed to let the board have a thousand loads of street sweepings for use as manure in the city parks. The claim of Henry Carson for \$300 compensation for injuries received through an artilleryman's horse falling on him while the Queen's Birthday demonstration was under way, was passed on to the City Council, with a recommendation that it be paid.

Mr. Roman wanted to know what was to be done about the lease of Dundurn Park ball grounds to Mr. Stroud. He and Mr. Kilvington believed that, according to Mr. Justice Meredith, the board's present course is illegal. The board had only won its suit on a technicality.

Chairman Wright and Mr. Southam did not agree with this. They thought the Judge had held that the board was not bound by the decision of the court, but that it had the right to refuse to pay an admission fee, the city would have lost the case.

Mr. Southam thought the board would have no right to ruin Mr. Stroud's season by cancelling his lease now.

Chairman Wright thought the Board was acting like a lot of schoolboys in being afraid of the chances of another suit.

Finally a motion by Mr. Roman that the fence around the ball grounds be sold and torn down on Oct. 31st was carried.

Mr. Kilvington wanted the grand stand, which Mr. Southam thinks is worth \$1400, torn down also, but a motion to that effect was lost.

It was decided to have an entrance made to the Park at Tecumseh street instead of at Kinnell street.

FAREWELL TO REV. MR. ADAMS.

Impressive Scenes at the Leave Taking—Rev. Mr. Atkins Welcomed.

A social was held in Gore Street Church last evening to give the members an opportunity of saying goodbye to Rev. G. K. B. Adams, the retiring pastor, and to greet the new minister, Rev. Mr. Atkins. There was a very large turnout, considering the oppressive weather, and quite an affecting time, as Rev. Mr. Adams bade adieu to the people among whom he has labored so indefatigably during his pastorate. Their behavior at parting evinced the deep hold he had upon their affections, and how sorry they were to lose him.

Mr. Forman, on behalf of the Epworth League, presented him with a silk umbrella.

Mrs. Leight presented Mrs. Adams with an easy chair, the gift of the young people of the church.

Mr. Boardman, representing the official Board, Mr. Forman for the Sunday school, and Mr. Forman for the Epworth League Society, had a lot of nice things to say of Mr. Adams, and best of wishes for success in his new charge.

Rev. Mr. Atkins spoke briefly, asking the members for their cooperation and good will. The Christian Endeavor Society presented him with a beautiful bouquet of flowers.

Rev. W. G. Brown acted as Chairman. The following programme was given: Instrumental duet, Miss Ham and Mrs. Nash; solos by Mrs. Dempster; guitar solo, Miss Pearson; duet, Mr. Forman and Miss Smith; selections by Male Quartette.

During an intermission the ladies served ice cream and cake.

ST. GEORGE'S OFFICERS' OUTING
A Fine Time Fishing and Playing Ball at Winona Park.

It was a fine time that the officers of St. George's Society had yesterday when they took their annual outing at Winona Park. The party was made up of S. C. Maybourn, President, W. A. Spratt, First Vice-President, C. D. Blackford, Secretary-Treasurer, Past Presidents J. J. Mason, F. MacKellan, C. C. W. H. Gillard, Major F. E. Ross, Geo. T. Tuckett, W. F. Burton, Thos. Mason, and H. N. Kitchison, and Messrs. W. Mussen, President, Toronto St. George's Society, C. H. Peebles, President, I. P. B. S. Hamilton, W. F. Robinson, Canon Forester, J. H. Long, G. G. Hacker, E. Finch, Seneca Jones and E. G. Fayes.

The day was spent in fishing and sports. A good catch of perch was made. Among the sports indulged in was a baseball game between teams captained by Vice-Presidents Geo. T. Tuckett and F. E. Ross, with Wm. P. Robinson and W. A. Spratt the battery for the major's team, and H. N. Kitchison and A. Hand for Mr. Tuckett's. When the score was 21 to 11 in favor of Major Ross' team the game was called on account of rain, two separate and distinct drops having been seen.

Mrs. Howard looked after the needs of the inner man during the day to the satisfaction of all, and Mr. Hand had charge of the boats, fishing tackle and life preservers.

J. D. CLARKE FOR REGISTRAR.
Former Hamilton Mason Out for Grand Lodge Honors.

The London Free Press, referring to the forthcoming session of the Masonic Grand Lodge in London, says: "V. W. Bro. John D. Clarke, of Ottawa, formerly of London, and W. Bro. Jos. Hickson, of Toronto, are most prominently mentioned. Both brethren are so well known as to warrant the statement that the contest between them—presuming there are no other nominees—will be close and exciting."

Bro. Clarke is, by many years, the oldest craftsman, and has a following second to none in the jurisdiction.

Mr. Clarke is also well and favorably known in Hamilton Masonic circles, he being a Past Master of Acacia Lodge No. 61. He should poll a very large vote of the brethren in this district, as he is one of the best known and most highly respected of the craftsmen of the Dominion.

Among the numerous things considered sacred in India is the banyan tree, one of the fig genus, remarkable for its vast rooting branches. The horizontal branches send down shoots which take root when they reach the ground and enlarge into trunks, which, in their turn, send out branches,
