FRANCE.

PRANCE. The Council of State again assembled on standard the budget of argumentium. Prince Material of the budget of argumentium of the Chamber of Commerce had been unanimonaly elected. Material of the budget of argumentium of the Chamber of Material ordered his vote to be cancelled. Material fills of the state of the state of the state of the transfer of Please having thought it his Boshier of Please having thought it his Boshier of the state. Mathematers of the transfer of the state of the to permit a day and his right, as Prosi-duat not to permit a Paynuty who get himself in fragment opportion to the wish and the laws of to the hash hour of the last day. The scandar has a opporting to as a member, but that out of respect for the character of Deputy, he desired to the hash hour of the last day. The scandar has and the Minister of France, calls attention the added, will full upon him who shall have argument his right. As Prosident to the state of the Minister of France, calls attention the devention and the 10000 men have been librit to the direumstance that forty millions of tasis argument, and restored to their fields argument, and restored to the fields argument, and that 30,000 men have been fibrit hashers, and restored to the fields argument, and the state of the Minister of France, alls attention the devention in 1855, and which has remained in the discrete millions, of which two are to be the discrete in 1855, and which has remained to the state the principle of a national rights argumente

wrecks. Snow-Srons in Ansaname ; and Loss or Linz.-The mow-storm continues with unabated se-verity, and is by far the greatest experienced for many years. All the postal arrangements are much deranged, some of the mails being fifteen hours behind their time. On Wednesday, the 28rd ult., eleven fishermen, belonging to Lossie-mouth, as small station north of Aberdeen, were drowned by the swamping of their boats, almost within reach of land.

within reach of land. The Towne of the swamping of their boats, almost within reach of land. The Towns of London. —On Saturday last Viscount Comberniere, the Constable of the Tower, visited the old fortress, and selected the Ordnance-office, situated at the seast side of the White Tower, and opposite the Horse Armoury, as the fittest place for the reception of the fune-ral car of the late Duke of Wellington. It will be placed in the lower part of the building with appropriate trophies, and the upper part is to be made into an armoury. It is expected that the arrangements will be soon completed, and the Car ready for public exhibition.
