HEART FAILURE FAINTNESS. ACUTE DYSPEPSIA

Complete Nervous Prostration Cured by Using

HAWKER'S NERVE & STOMACH TONIC Mr. Wm. Thompson of Musquash, N. B., says:

"For 2 years past my wife has sufficed with Acute Dyspeysia accompanied with complete nervous prostruction and a smoothering sensation about the hast which frequently produced an attack of faintness. She became weak and nervous, lost all energy, and had sconstant feeting of dread. She suffered with intense point in the stomach after eating, which was usually followed by the smothering sensation about the heart and ferinting spells. She tried a great many remedies and was treated by the doctors for some time, but obtained no relief. She became so discouraged that she gave up all hope of ever getting better, when our pastor suggested that she try HAWKER'S MERVE AND SIOMACH TONIC and LIVER PILLS, which had produced remarkable cures after taking the second dose, and has continued to improve ever since until today she is as well as several cases he knew of. We did so and she obtained immediate relief from the distress after taking the second dose, and has continued to improve ever since until today she is as well as ever, and can enjoy her food without fear of suffering. I cannot speak too highly of these valuable medicines which have restored my wife to health and strength and saved much suffering and expense."

Rev. Henry M. Spike, Rector of Musquash, R. savet "I say necessarily account to designed and the second and a some and a strength and saved much suffering and expense." A LADY'S EXPERIENCE.

Rev. Henry M. Spike, Rector of Musquash, N. B., says: "I am personally acquainted with Mrs. Tompson's case, and am greatly pleased that the medicine which I recommended to her produced such remarkable results."

AWFUL HEADACHES. 2 YEARS OF SUFFERING.

LIFE A TORTURE. Rendrick Outhouse, of Twerton, N. S., says: For several years I suitered from severe attacks of biliousness, which came on periodically, about every ten days. I had auful headaches and the smell of anything cooking turned mesick. I became weak and nervous, and had no ambition or strength to work. I passed many sleepless nights, and for days could not retain food on my stomach. I suffered intensely with piles and hives, and my life was a constant torture to me. I became so weak that my friends gave up all hopes of my recovery. My brother brough me a bottle of

HAWKER'S NERVE AND STOMACH TONIC HAWKER'S LIVER PILLS.

I had not taken them long before I commenced to improve and in a short time I was completely cured. I grew strong and vigoraus, my appetite returned, I stept well and in a few months had gained 30 pounds in weight.
