DUNGANNON.

Weather at present is delightful for autumn.

Miss Lavina Lane is visiting relatives and friends here.

Mr. Thos Durbin and family left here last week to reside in Goderich. We wish them success.

Miss Frank Crawford has returned home from a visit to Lanesville, where she enjoyed herself.

STILL THEY COME.—Another visitor to Dungannon, who is in all probability likely to be a resident, made her appearance last week. Miss Peter Hamlin presented her legs with a young heifer. We congratulate the young couple on the event.

ANOTHER BUNCH OF NATURE.—A fine bunch of ripe raspberries, well matured, was given to your correspondent by Mr. Chas. Robinson, which he found in his garden, which, by the way, speaks well for our Canadian climate. Who can beat that?

Enthusiastic meetings on railway extension from Wingham via Dungannon to Port Albert or some point on Lake Huron were held on Saturday, the 12th inst., at Port Albert and Dungannon. Several members of the committee and others attended the meeting at Port Albert in the afternoon, and in the evening at the meeting which was held at Dungannon a large attendance of the ratepayers of West Wawanosh and Ashfield pat in an appearance. Amongst those present were: Messrs Meyers and John Martin, of Wingham, James Johnston, Esq., reeve, of West Wawanosh, councillors Jas Gibson and John Bowers, Chas Grevin, ex-reeve, as also some of the leading and prominent gentlemen of Port Albert. Mr J M Roberts, chairman of the railway committee, and Mr Wm Lane, secretary of said committee, acted respectively as chairman and secretary of the meeting. Speeches were made by Messrs Meyers, Johnston, Mahaffy, Bowers, and others in favor of having an extension of railway as above. Each speaker commented on the utility of the road, as also the fine district of country through which it would extend, as well as the cheapness of construction. All present seemed anxious to have a railway through this section of country. Reference to the subject will be made in the near future.

"O to be dead and done with the trouble. This is the mean of many a woman. Who thinks she can never be well again. "It were better for me and better for others. If I were dead," and their tears fall fast. Not so, not so, O wives and mothers. There's a bow of hope in the sky at last, and it tells you that the storm of disease which has spread its shadow over you will give way to the sunshine of renewed health, if you are wise, and try Dr Pierce's Favorite Prescription. It can and will effectually cure all female weaknesses and derangements, and no woman who has not tried it need despair, for a trial will convince her that it is the very thing she needs to restore her to the health she fears forever lost.

To cleanse the stomach, liver, and system generally, use Dr Pierce's Pellets, 25cts.

PORTERS HILL.

From our own Correspondent.
Henry Young, Goderich township, has leased one of his farms here to Robt. McLean, of Goderich, for grazing purposes.

It is rumored that a number of fair damsels around the Hill are going to bring up a petition to the general pater of Goderich township to erect a lamp post near the store, so that travelers and pedestrians can be guided safely round the four corners the right way in the night time. The general storekeeper, we believe, will apply the oil and light the lamp at night from the circular city of Goderich.

The S-uth lodge I. O. G. T. gave an entertainment here last Friday evening, with a crowded house and a good program from its members, consisting of readings, recitations and a dialogue by S McPhail and T Jarvis. The W. C. T. A. Flanker, performed the duties of the chair in an acceptable manner, and D. Ludey, the first W. C. T. of the new lodge at its formation, December, 1888, gave an address, in which he referred to the first temperance lodge at the Hill, which was started in 1861, and showed to the audience the well known banner, he had, which new is held by the present lodge, which is working so successfully with a good membership. A. McDougall also made an address with reference to temperance work. Instrumental music by Thos McDougall with his violin supported by Miss F. McDonald on the organ and a choir of members singing selections. Miss McDougall presided at the organ. Proceeds of the entertainment were over \$12.00.

OUR REMEDIES THE BEST.—During the absence of two of our fair maidens on a visit to old friends in Michigan, the climate of the Wolverine State did not agree with them, and they were both laid up with illness. The cures prescribed by the medical staff proved unsuccessful, until a former member of our famous sick committee residing in the neighborhood, hearing of their illness, appeared on the scene and prescribed the Dunlop remedies, which worked far ahead of the Yankee cures, and our absent friends came home all safe last week. Also another former resident of Dunlop, sick in the City of Straits, telephoned to the good Doctor in her Michigan home for advice, who answered back, and the Yankee cures were left far in the rear by the famous medicines of the Dunlop sick committee.

JENKS DREAM.

Jenks had a queer dream the other night. He thought he saw a prize-fighter's ring, and in the middle of it stood a doughy little champion who met and deliberately knocked over, one by one, a score or more of big, burly-looking fellows, as they advanced to the attack. Giants as they were in size, the valiant pugny proved more than a match for them. It was all so funny that Jenks woke up laughing. He accounts for the dream by the fact that he had just come to the conclusion, after trying nearly every big, drastic pill on the market, that Pierce's Pleasant Purgative Pellets, or tiny Sugar-coated Granules, easily "knock out" and beat all the big pills hollow! They are the original and only genuine Little Liver Pills. Beware of imitations, which contain Poisonous Minerals. Always ask for Dr. Pierce's Pellets, which are Little Sugar-coated Pills, or Anti-Bilious Granules. One a Dose.

SICK HEADACHE.

Bilious Headache, Dizziness, Constipation, Indigestion, Migrations Attacks, and all Derangements of the stomach and bowels, are promptly relieved and permanently cured by the use of Dr. Pierce's Pleasant Purgative Pellets, or tiny Sugar-coated Granules, which are gently laxative, or strongly cathartic, according to size of dose. Smallest, Cheapest, Easiest to take, 25 cents a vial, by druggists. Copyright, 1888, by WORLD'S DISPENSARY MEDICAL ASSOCIATION, Proprietors, 65 Main St., Buffalo, N. Y.
