Hazen comes well recommend-About 10 o'clock this morning, about ed. The others are inexperienced or 3,000 Turkish troops with field guns commonplace." were discovered advancing with the

intention of re-capturing the town. The Italian commander, however, had an intimation that such an attack probably would be made and his men were prepared. The Italian guns wore well placed and the Turks were met with a heavy artillery and rifle fire, to ich they replied with equal energy, It was moonlight and the fleet turned the searchlights on the contending forces. When the engagement was at its height, the battleships and cruisers oined in with their smaller batteries, directing the shells to cover the Italian front and flank. For more than an hour ,the firing on shore was continuous, but about 2 o'clock, it slackened

and gradually ceased. The Turks retired, but in good order, although it is reporte dthat they suffered heavy losses. Another body of Turks tried to turn the Italians eastern flank, but without success. The Italian cusualties were slight. The

Italian lieet pursued the retiring Turks with a heavy shell fire, until 6 o'clock in the morning. Looting By Convicts.
