A WONDERFUL CURE.

An eminent scientist, the other day, gave his opinion that the most wonderful discovery of recent years was the discovery of Zam-Buk. Just think! As soon as a single thin layer of Zam-Buk is applied to a wound or sore, such injury is insured against blood poisoning! Not one species of microbe has been found that Zam-Buk does not kill!

Then again, as soon as Zam-Buk is applied to a sore, or a cut, or to skin disease, it stops the smarting. That is why children are such friends of Zam-Buk. They care nothing for the science of the thing. All they know is that Zam-Buk is applied to a wound or to a diseased part, the cells beneath the skin's surface are so disinfected that new healthy tissue is quickly formed. This forming of fresh healthy tissue from below is Zam-Buk's secret of healing. The issue thus formed is worked up into the surface and literally casts off the diseased tissue above it. This is why Zam-Buk cures are permanent.

Only the other day Mr. Marsh, of 101 Delorimier Ave., Montreal, called upon the Zam-Buk Co., and told them that for over twenty-five years he had been a martyr to eczema. His hands were at one time so covered with sores that he had to sleep in gloves. Four years ago Zam-Buk was introduced to him, and in a few months it cured him. To-day—over three years after his cure of a disease he had for twenty-five years—he is still cured, and has had no trace of any return of the eczema!

All druggists sell Zam-Buk at 50c. box, or we will send free trial box if you send the advertisement and a 1c. stamp (to pay return postage). Address Zam-Buk Co., Toronto.

Famed Grassy Lake
Moose Slain at Last.

The big moose of the Timagami has been shot at last. The giant animal, whose immunity from the bullets of the hunter's rifles had become almost a proverb in that district, will no longer roam the woods and only its memory remains for the benefit of future travellers. In the days to come, round the camp fires at night, stories will be told by the veteran hunters to their younger brethren of the famous moose of the Timagami, and its numerous miraculous escapes from the usually reliable rifles.

By popular report the animal bore a charmed life. Hunters and Indians have known of its existence for years past. Yet never was a shot fired at it that took effect, though many have tried to end its career. Often has it been seen in places, where escape seemed impossible, but always it got away. Little wonder that its fame became known far and wide and people came to believe that the moose was under the special protection of the spirits of the woods.

But now it is gone and its career was terminated by a Cobalt hunter, Milton Carr was the man who at last brought down the famous moose of the Timagami. And a magnificent animal it proved to be. Eight feet in height it stood, and its horns measured from tip to tip fifty-one inches. The animal would have been still greater had not the horns turned upwards. Its captor sent the head to his home in Hamilton, to be mounted and preserved as a valuable trophy to the monarch of the bush. —Rod and Gun for January.

Every Stiff Joint Limbered, Rheumatism Cured!

That Old Family Remedy "Nervine" is Guaranteed for the Worst Cases.

CURES NEURALGIA, BACKACHE, LUMBAGO.

Rheumatism to-day is unnecessary. It is so well understood and so readily curable that every day we have reports of old chronic cases being freed of their tormentors.

"I can speak confidently of the Nervine treatment for the simple reason that it cured me," writes Albert B. Cornsides from Kingston. "You can't imagine how stiff and lame and sore I was. Night after night I couldn't sleep well. I followed the Nervine directions carefully—had it rubbed into the sore regions four or five times every day. Every rubbing helped to reduce the pain. The swelling went down. I got a fair measure of relief in a week. I also took two Ferroquine Tablets with my meals. They increased my appetite and spirits, purified my blood and toned up my system generally."

"I am as well to-day as a man can be—in perfect good health. I give Nervine all the credit."

A large family size bottle of Nervine costs only 50c, or the trial size 25c, and is useful in a hundred ills in the family. Whether it's toothache, earache, headache, neuralgia, lame back or a cold, Nervine will cure just as readily as it will cure rheumatism. For family use nothing equals Nervine.

Confirmation at St. Mary's.

Last night the Bishop of Newfoundland held a Confirmation Service at St. Mary's Church. Forty males and 34 females presented themselves, some of whom walked five miles to the service. His Lordship delivered a most impressive address which will long be remembered by the congregation, and particularly those to whom it was specially directed. Rev. Canon Bolt officiated as Chaplain.

Jack Rossley to the Front.

Mr. Jack Rossley, proprietor of the Rossley Theatre, will show his sympathy in a very practical manner. He will give one of the biggest performances ever given in St. John's, in aid of the widows and orphans concerned in the seafishery disaster. Holy Week would be very unsuitable when the city is plunged in grief; no one will feel much like going to see a show. Therefore Mr. Rossley will arrange a drama. He will turn over every penny taken in on that occasion regardless of rent, light, printing, salaries or other expenses. He and his capable wife will arrange a monster programme. Rossley's was the first theatrical performance in aid of the Marine Disaster Fund, when he handed in over one hundred dollars. He has given several substantial sums to worthy causes, but he hopes to eclipse all former sums by a gigantic benefit for the dependents of those brave fellows.

Fish Prices.

The Marine and Fisheries received the following reports yesterday: Baham—Forty-one to 42 murex per drum; market steady. Oporto—No change worthy of mention since last report; fish continues in demand.

How "TIZ" cures sore, swollen, sweaty, calloused feet and corns.

"Just couldn't wait to take my hat off!"

Just take your shoes off and then put those weary, shoe-crinkled, aching, burning, corn-pestered, bunion-tortured feet of yours in a "TIZ" bath. Your toes will wriggle with joy, they'll look up at you and almost talk and then they'll take another dive in that "TIZ" bath.

When your feet feel like lumps of lead—all tired out—just try "TIZ." Its grand—it's glorious. Your feet will dance with joy; also you will find all pain gone from corns, callouses and bunions.

There's nothing like "TIZ." It's the only remedy that draws out all the poisonous exudations which puff up your feet and cause foot torture.

Get a 25 cent box of "Tiz" at any drug or department store—don't wait. Ah! how glad your feet feel; how comfortable your shoes feel. You can wear shoes a size smaller if you desire.

The message of the Crucifixion to-day is the message of Love. Love hath no man than to love; it is conceived in love; it is conveyed to the fruits are seen in love; it shall all men know ye a spirit. The Cross is God's emblem from himself. The sinless one nailed to the cross the emblem of man's plight of God's readiness the penitent.
