**QUALITY**

One thing essential in your Winter Coat is QUALITY. One has to wear their Winter Coat for many months, and to stand against this you require the best of material in it.

We have carefully selected our stock of Winter Coatings and feel we have goods that merit your approval. You can purchase enough excellent material to make a coat for \$24.00, and if you wish we can make it up for you, and deliver the finished garment in a week or less if necessary. The material is equal in quality to that in coats which retail at \$70.00 to \$90.00.

We ask you to come in and see the goods, examine them, get samples and prices, compare with others, and come back and purchase the goods.
