days in Hamilton. His father is Mr. George Kerr, who, for the past eighteen years has been in the city's service as board of works foreman for No. 7 Ward, and who is a fine, brawny specimen of Irishman. Bobby was educated here, is in the early 20's in age, and occupies a position of responsibility in the employment department of the International Harvester Company, with which he has been almost ever since it established its Canadian branch here. He has been running several years, first coming into prominence as the crack sprinter of the Harvester Company's fire brigade. He is a fine type of young man, clean in life and character, well educated, intelligent and trustworthy. He is a member of First Methodist Church, where he is to be seen at every service when in the city, and of which his father is a leader and member of the quarterly board. Bobby is the sort who, win or lose, will be a credit to himself and his city, and who will leave any sport better for having been in it.

Chicago, July 21.-The Young Men's Christian Association relay race, which began in New York at 10 a.m. last Wednesday, came to a brilliant close in the city hall here at 9:38 a.m. today. The silver tube containing the message of Mayor McClellan, of New York, to Mayor Busse, of Chicago, was carried over the final stretch by

Cabe, of the Evanston Y. M. C. A. McCabe received the message at La-Salle and Monroe streets, but had great difficulty in making his way along the two blocks to the city hall, being compelled to stop several times by street cars and wagons. At the city hall, however, McCabe came under the protecting shelter of a squad of policemen, who kept the

crowds at a respectable distance. Mayor Busse, however, was not present, and the duty of receiving the message devolved upon Vernon L. Bean, secretary of the civil service commission. Thus ended the race of 1,00 miles by hundreds of boys ranging in age from 12 to 21 years. The distance was covered in 119 hours and 22 minutes.
