## ACTIVE TRADING ON THE MARKET TODAY

Although rain threatened the local market this morning, there was a very good showing of wheat with produce from the surrounding country. The centre of the Market Square was occupied by the vendors, and also the eastern section.

Trading was noticeably active for a dull day, with prices generally firm. Grain was quiet, there being a very small offering. Prices consequently remained the same as formerly. Wheat is selling for 85 cents per bushel, and oats for \$1 to \$1.10 per cwt.

Previous to 9 o'clock this morning twelve loads of hay had been sold. The prices of this commodity dropped somewhat; the prices obtained today being \$12 to \$14.50.

Straw, too, has lowered and sold steadily at \$5 to \$7.50.

There was a fair offering of fruits with all prices steady. Melons sold from 40c to \$1.50 per dozen. Plums are not as plentiful as formerly, and are bringing 30c per basket. Peaches remain stationary at 40c for small varieties, and 50c to 60c for Crawfords. Apples are still selling at 50c to 60c per bushel. Potatoes were offered for 60c to 65c. Green corn is somewhat scarce and selling for 8c to 10c. Other vegetable prices are as quoted on list.

Live stock remains firm and steady. Poultry also has not changed since yesterday.

The offering of butter and eggs is still too small for the demand. Prices are firm in consequence.
