deeper and finally she did go; several times, and finally should have returned inside the car, runpitsl. He recovered shortly afterward, would be hard to get and went east Tuesday morning. So of her, and the plaintiff great was the force with which he struck was worth \$10 a week.

A citizen narrowly escaped possible death on Richmond street Tuesday night. The accident was caused in a peculiar manner. The man had been eating chocolates, when a piece of the sweetmeat found its way into his windpipe. He was rendered speechless in consequence, and hardly succeeded in struggling across the sidewalk to where a policeman was standing. By leaning his head over, and by his peculiar breathing, the strangling man made known his trouble, and a vigorous blow on the back, delivered by the policeman, ejected the chocolate from its position. It was a

close call William Jones, the Dorchester Station watch repairer, was arrested in Caradoc by Detective Ward, of London West, Tuesday. He is charged with stealing five watches left at his place to be repaired, and pawning them at Fox's, in this city.
