

# "NA-DRU-GO DYSPEPSIA TABLETS"

Proved of Great Value to Me

There is only one explanation for the numbers of enthusiastic letters that we receive praising Na-Dru-Co Dyspepsia Tablets, and that is that these tablets certainly do cure any kind of stomach trouble.

Here is a typical letter from Miss Stella Armstrong, Canoe, N.S.:

"It is with pleasure I write to inform you that your Na-Dru-Co Dyspepsia Tablets have proved of great value to me. I tried remedy after remedy but without any lasting good. Having heard of your tablets curing such cases as mine I decided to give them a fair trial. They proved satisfactory in my case."

The remarkable success of Na-Dru-Co Dyspepsia Tablets is such a success as can only come to an honest remedy, compounded according to an exceptionally good formula, from pure ingredients, by expert chemists. If you are troubled with your stomach just ask your Druggist about Na-Dru-Co Dyspepsia Tablets, compounded by the National Drug and Chemical Co. of Canada, Limited, and sold throughout the Dominion at 25c a box.

### NEW CARLISLE

A very pretty wedding took place in the Presbyterian Church, Paspébiac, when Miss Stella Scott, daughter of Mr. John Scott, and Mr. J. McClelland, formerly of the Bank of Nova Scotia here, were united in wedlock by Rev. Wm. B. McCallum of New Richmond. The happy couple left by train the same day, Sept. 30th for a trip to various parts after which they will reside in Montreal. The people of New Carlisle and Paspébiac wish them a happy and prosperous journey through life.

Rev. Wm. B. McCallum preached in the Presbyterian church, New Carlisle, and was very much appreciated by the goodly number present.

I. O. Sh. left by train Sept. 30th for a meeting of the Church Synod at N. S., Oct. 1st.

On Sept. 26th the marriage of Miss Annie, daughter of Mr. Charles C. of Bonaventure River took place in the Episcopal Church. Rev. Wm. Dunn officiated in the absence of Rev. Wm. Dunn. The church was filled with relatives and friends showing the good will and esteem of both parties. They will make their home in Bonaventure River. Mr. Tozer has a nice business with his father and brother. The young couple a happy journey through life.

T. J. Caldwell has been confined to the house with a very bad cold, and we hope he recovers quickly.

James Asles has been ill for the past few days but we are glad to hear that he is improving.

Miss Jessie Kerr of Caplin is in town and we believe to remain some time.

We have carefully read the last issue of this paper, and are very glad to have a commercial travelers idea of the land. We are under the impression that what Mr. commineral traveler heard must have been some fog-horn or other, probably a steamer passing in the bay at the time, blew a blast, because, if he had heard the Fife and Drum Band as it stands today in New Carlisle he would have been charmed, and there are no two ways about it. You also mentioned that you would hardly have known that there was such a thing. This stands to reason that you, like all of us, have many things to learn. Goethe's Faust, the great German poet says: Courage has genius power and magic in it. Only engage, and then the mind grows heated—Begin it, and the work will be completed. That is exactly what the fife and drum band have done, they have tried and succeeded. We perfectly understand that the boys are young, but thank God, they have good heads on their shoulders and it didn't take them nine months to climb up the same gentle. You also mentioned that the "kids" are doing their best. They certainly are doing their best, and they're not at all backward in showing what they can do, and furthermore, allow us to tell you that many is the time that a kid has done what a so called big man couldn't do. We thank you very much for your compliment, and hope that you have lots more like it to publish.

A meeting was held in the Parish Hall on Monday the 21st for the organization of a Cadet Corps in New Carlisle. Lt. Col. Baker presided, T. J. Blamplified acted as secretary. A very interesting football game was played on the 22nd in Bonaventure. Juniors vs. Seniors, the game was very rough and many of the players received bruises. The juniors had no trouble in defeating their opponents by 13 goals to 1.

The return match was played last Sunday and hard playing was done on both sides. The scoring was very heavy, and the juniors again turned out victors. The score being 16 to 8.

One of the most enthusiastic concerts seen for a long time was given by the Ladies Guild in the Parish Hall, on the 26th. We congratulate the ladies who have worked so hard in preparing such an entertaining program that evening. The program was as follows:

Blamplified; Song by Miss Baker; Duet by Miss S. Robinson and Miss W. Kennerly; Reading by Mr. Baker; God Save the King. The hall was crowded with people. The gate proceeds were very good which was well merited by the ladies who have labored so diligently in preparing such an entertaining concert. Many congratulations are due to the Ladies Guild.
