## MANY SHINGLES DESTROYED BY FIRE

Fire At Cookhouse of Restigouche Lumber Co's Mill—Considerable Damage.

About four o'clock Tuesday afternoon word was telephoned to the Richards Manufacturing Co's office here that a fire had broken out in the cookhouse of the Restigouche Lumber Co. at Dalhousie Junction. Immediately autos were despatched with crews of men and fire-fighting appliances. The wind was blowing a gale from the west, and soon the fire spread to the shingles piled along the south side of the highway. These burned with a terrific blaze and soon the fire was spreading to the lumber piles. The fire was prevented from spreading, except that a barn owned by Robert Good was destroyed. His loss will be about \$1500 partly covered by insurance. His house, which was in the direct path of the burning embers was saved through hard and efficient work.

Between seven and eight million shingles were destroyed.

Mr. Hicks, manager of the company stated that the loss was fairly well covered by insurance.

## ANTICOSTI MILLS TO REMAIN SHUT

Not Expected to Operate This Year—Canning Factories May Open.

Anticosti spent a very quiet winter, and it is not yet known when the pulp and lumber mills which closed down in 1917 will re-open, according to Mr. A. D. Dion, Agent for Anticosti in Quebec. About 1,000,000 feet of lumber was cut for local building purposes and there was a considerable catch of fish which were shipped to France.

The lobster and canning factories which have also been closed for five years are expected to re-open this year and with new operations fishing will be given an impetus. The pulp mills will not likely be operated this season.

A number of rivers have been leased to Americans for the salmon season, this being the second year in that this has been done. The S. S. Savoy left on Monday for her second trip with 35 passengers, and a full cargo of supplies for Ellis Bay. Mr. Martin Zede, general manager of Anticosti, is expected to arrive in Quebec June 1, and Senator Gaston Menier, "Chocolate King of France," and owner of the Island, some time in July.

WINTON—DICKIE

The home of Mr. and Mrs. Robert Dickie of Black Point was the scene of a very pretty wedding, when their eldest daughter Hazel, was united in marriage to Mr. Chester Winton, of Archibald Settlement.

The ceremony was performed by Rev. Mr. Archibald of Bathurst, in the presence of immediate relatives.

The bride looked charming in a gown of rose satin and was attended by Miss Marjorie Willis, while Mr. Ralph Dickie supported the groom.

After the ceremony a dainty supper was served, after which the happy couple motored to the home of the groom.

They were the recipient of many useful and pretty gifts.

The many friends of the bride and groom unite in wishing them all happiness on their journey through life.
