I WOULD not be doing justice to the afflicted if I withheld a statement of my experience with Jaundice, and how I was completely cured by using Northrop & Lyman's Vegetable Discovery. No one can tell what I suffered for nine weeks, one-third of which I was confined to my bed, with the best medical skill I could obtain in the city trying to remove my affliction, but without even giving mo temporary relief. My body was so sore that it was painful for me to walk. I could not bear my olothes tight around me, my bowels only operated when takpainful for me to walk. I made up my mind to die, as LIFE HAD LOST ALL ITS CHARMS. One day a friend called to see me and advised me to try Northrop & Lyman's Vegetable Discovery. I thought if the doctors could not cure me, what is the use of trying the Discovery, but after deliberating for a time I concluded to give it a trial, so I procured a bottle and commenced taking it three times a day. Jupes or ar starmus at the expiration of the third day to find my appetite returning. Despair gave place to Hope, and I persevered in following the directions and taking life the procured in following the directions and taking life the procured in following the directions and taking life the fifth bottle.
