

tier Movements of the Patriot Army of Upper Canada,' of which the following is an extract :—

"About the 10th of December last, while in Buffalo on private business, I was urged by Thomas L. Sutherland, who brought me a general letter of introduction from Thomas W. Taylor, LATE SPEAKER, to take command of the Patriot Forces destined to act in liberating the oppressed of Upper Canada, and to establish a republican form of Government in the Province. . . .

"Full and sole powers were to be invested in me to conduct all military operations in my own way, and no one allowed to interfere. . . .

"With the hope of being instrumental in hastening a crisis so desirable to all the republican world—my wish as a Northerner to see the chivalrous example of the South in the case of Texas emulated here—my innate detestation of tyranny and oppression wherever manifested; finally, relying upon numberless promises of being sustained, and trusting in the smiles of Heaven itself, I agreed to accept the offer.

3. It has been certified on oath that an officer of the State of New York, whose duty it was to prevent the State artillery from being carried off to Navy Island, allowed a cannon to proceed there on being told by those who were conducting it, that "it was only going to shoot ducks."
