Why Not Choose

a finish for your rooms that will last?

Sample Plate No. 217

Our Metallic Ceilings and Walls

Are wonderfully durable—they can be easily cleaned—don't need renewing—and are made in such artistic designs that they are more beautiful than any other interior finish.

Besides, they are fire-proof and sanitary—and cost very little.

If you wish an estimate mail us an outline showing the shape and measurements of the walls and ceilings to be covered.

They are suitable for any room of any building.

WEST'S FLUID

is a positive preventive of

CONTAGIOUS ABORTION AND HOG CHOLERA

and a most effective DISINFECTANT, simply because it is a strong ANTISEPTIC, and destroys the germs upon which such conditions depend, and does not contain corrosive nor irritating properties.

Circulars (specially prepared by a veterinary surgeon) on application.
