BROWNIE No. 3

PICTURES 3 1/2 x 4 1/2

PRICE \$4.00

You can make good pictures with a Brownie Camera.

Made by Kodak workmen in the Kodak factories, the Brownies are efficient, durable, practical. Made on the Kodak plan, they are simple.

Take for instance the No. 3 Brownie. It is substantially made in every detail. Though it makes 3 1/2 x 4 1/2 pictures, no focusing is required. It's always ready. It has a carefully tested meniscus achromatic lens; is fitted with the Eastman Rotary Shutter for snap shots and time exposures, and with a set of three stops. There are two finders; one for vertical and one for horizontal exposures, and two tripod sockets. It loads in daylight with Kodak film cartridges for four, six or twelve exposures. The covering is a tasteful and durable imitation leather, the metal parts are heavily nickle-plated. Price, \$4.00.

With a Kodak or Brownie no dark room is required for any part of the work—loading, unloading, developing or printing. You can readily finish your own pictures or can safely send the film cartridges by mail to a professional finisher.
