

MONDAY, OCTOBER 10, 1893.

Excellent, 10; Medium, 5; Good, 7; Poor, 3.

...the leaves, and where they most ... beneath rarely found.

Thanksgiving Day will be on Nov. 28th the first holiday of the session.

Father O'Meara will soon summon a large number of boys after school hours to assist him gathering his crop of tubers.

There are at the time of writing, thirty seven new pupils registered for the present term, and the Superintendent expects a few more.

Mr. Bais tells us some pretty "tall" fish stories but we suppose they are all founded on facts. He has a boat and other equipments, hence those fish yarns.

There were few of the two hundred and fifty absent when classification took place on the 2nd inst. Prompt return to school when the vacation ends is a well observed rule here.

Two or three of the new pupils can scarcely be called novices. They rank a little higher in the possession of speech and hearing, and will be promising additions to the articulation class.

We have a pupil this session who is the only deaf child of deaf parents known in this province. He comes from Toronto and is a bright lad, able to communicate freely with others by signs.

The shoe and carpenter shops have been taken down and put away their tools as they are not expected to be required again. The shops now have steam connection with the main buildings which will make a saving in the cost of the institution.

Judging by the multitude of apples that decorate the walk about the east side of the institution, there have been successful raid on the orchard since school opened. Neither the quantity nor quality of fruit available is very tempting to an ordinary youngster this year.

The new comers, of whom there are thirty seven have already become quite acclimated to their surroundings, and have their allotted places in the dining-room and chapel without much assistance. They are nearly all intelligent children and good results are anticipated from their instruction.

We were relieved to drinking the water from the city waterworks for a few days, as our well did not give a pure supply which, being noticed, the drinking of it was at once prohibited, and the well attended to. Every one who has drunk our well water concedes it to be the best for many miles around.

The Athletic Association held a meeting for organization on the 9th. The places of five absent members of last year's senior team were filled up and new captains voted for. The result of the ballot was as follows - Jay, Chambers to be captain of the senior team with M. Noonan assistant; W. H. Gould of the 2nd eleven with Wm. McKay assistant. The outlook for this year, while not so bright as last term, is very good and our boys hope to be able to defend the cup.

On the 6th inst. the sudden disappearance of one of the new boys caused quite a surprise. The little fellow was seemingly quite at home and happy and no one thought that he would run away so he was not watched like the other new boys. After being accustomed to the freedom of a large city the country surroundings of the institution were uninteresting to him, and he took a double down town. A telephone message soon placed him in an easy chair in the police office, where he was happily called for by the officer until Mr. Douglas saw him down for him.

Oct. 12th was Deseronto's Civic Holiday and our senior foot-ball team were invited to go down and play with the Deseronto club. Our lads went down on the 11th and played against a strong team in the afternoon, defeating them by a goal to 0. Judging from the trophies some of our players are to be in Deseronto club gave them all their own to win the game. Our team consisted of the following players:

Patrick M. Noonan, E. Symond, L. Lewis, Jas. Chambers, H. Howe, N. Babelo, J. Smalldon, J. G. and C. Gillam. The schedule of the league matches will be published in the next issue.
