\$350.00.—THREE HUNDRED AND FIFTY DOLLARS IS NEEDED FOR WELLAND, AND THE YOUNG PEOPLE ARE ASKED TO RAISE IT. WE CAN. WILL WE? DO NOT FORGET THE AMOUNT—\$350.00.

OCTOBER 18, 19 AND 20, LONDON. RALLY OF DISCIPLES OF CHRIST, OCT. 20, AT 8.45 A. M.

The following letter will speak for itself. The meeting of which Bro. Fowler speaks is arranged for Thursday, Oct. 20, at 8:45, a. m., and will doubtless be well attended. The place of meeting has not been settled yet. The denominational rallies are arranged even to the selecting of the chairmen—by the Executive Committee of the Provincial Christian Endeavor Union, and we have not yet been notified as to the settlement of these details. Our own church in London is a long distance from the convention headquarters and some place nearer may be selected. We hope, however, that our delegates will find some opportunity to at least see Bro. Fowler's church.

DEAR BRO. McMILLAN:—At the Endeavor Convention to be held in London next month, it is to be hoped that there will be many of our young people. Let us remember that this is our work—the work for which our fathers labored and prayed—and that earnest and godly young people in all the denominations are pledged to its promotion.

I write to remind those who come that there are Disciples in this city, and that their place of meeting is the corner of Elizabeth and Dundas streets. We believe it would be helpful in many ways if a special meeting of the Disciples attending the Convention could be held during the session. Let us have the meeting, at which we hope to meet many zealous Disciples throughout the Province. Come and bring with you words of cheer and encouragement and as much enthusiasm as possible. T. L. FOWLER.

MONTREAL—ATTENTION, ON TARIO.

Doubtless many of our readers have already seen the letter which we copy below from the Christian Evangelist Endeavor business moves with such terrific rapidity from one enterprise to another that sometimes it is really hard to keep up with it; but there is nothing else so cheering as the way endeavorers take hold of the seemingly most impossible things and carry them to success by sheer force of courage and muscle. Disciples for a long time have looked with longing towards Montreal, and it does seem as though, if we could only make a little extra sacrifice in Canada this year, put on a little more steam just to get the thing started, here is a chance which we may never have again to set the cause in Montreal on a permanent basis. This matter, if taken up, should be the concern, not only of the young people, but of the whole Canadian brotherhood. I think it quite safe to say that if once the chapel could be erected the delegates to the convention of '93 would undertake to see it paid. The people who, in a few minutes at New York, raised \$1500.00 for a girl's home in Japan, will not see an enterprise of this kind fail. For Ontario young people to take the lead in this is, of course, at the present time impossible. We have Welland on our hands, and Welland must be carried through. But could not some of our older brethren scheme out some way to commence

this thing? We would like to learn the views of some of the members of the Board of Managers of the Co-operation. I would add that the editor of the Christian Evangelist heartily endorses Bro. Stewart's letter, with a recommendation to the Canadian brethren to take the initiative. Following is the letter:

AN IMPORTANT MATTER.

All who attended the International Convention of the Y. P. S. C. E., in New York, must have been impressed by its magnitude and its spirit. Nothing like it was ever seen before. It drew lovers of the Lord together, it let them gaze into each other's faces, and it sent them home hoping and praying for the time when all will be one.

The "denominational rallies" were all full of interest, but it is generally conceded that none equalled that held by the Disciples of Christ. It is not often one's privilege to see Endeavorers work as they did on that Saturday afternoon. The brethren resident in New York were rejoiced to see their magnificent church crowded by Disciples, and the visiting brethren were delighted because they had such a place in which to gather.

Next year the convention goes to Montreal. Thousands of Disciples from the United States and Canada will be there. Denominational rallies will, of course, have their place on the programme. The various denominations will go to their respective churches, but where shall we go? Here is the important matter.

Montreal has a population of more than 200,000, of whom at least three-fifths are Roman Catholics. The most of the Protestant denominations have costly churches, but we have no place of worship in the city. We have, however, a small number of faithful brethren and sisters, and not a few sympathizers who would probably become our brethren if the opportunity were afforded. For two years they have been hoping that by some happy providence they should be assisted in establishing the cause of primitive Christianity in the commercial metropolis of Canada. The opportune time for enlisting the sympathies and securing the co-operation of the brotherhood may have now come. If our Young People's Societies of Christian Endeavor, seconded by our other brethren and sisters in the United States and Canada, will take this matter in hand, they can put a neat and substantial place of worship for the Disciples of Christ, in Montreal, before the next international convention. And when our young people go there in 1893 they will have the satisfaction of worshipping in a house which they have largely built.

The societies can do this. What is done must be done quickly. If they let this chance pass they will not enjoy the Montreal Convention. Bro. Editor, what do you say about this important matter? Please say something. Fellow Endeavorer, what do you say? The Y. P. S. C. E. in the Coburg street Christian church, St. John, N. B., authorizes me to say that they will pledge \$25.00 towards the erection of this much needed place of worship in Montreal. HENRY W. STEWART, Pastor. St. John, N. B., Aug. 5.

WELLAND.—But while we are thinking of Montreal, we must not forget Welland. The annual payments of the church debt will be due by the time this reaches our readers, and money should be received right away. Did your society pray for this work as requested in last number? If not, will you not do so at your next meeting?

A GOOD IDEA.—Now, if the Editor will pardon me for taking up so much space, I wish to tell you of a good enterprise, the Toronto (Cecil St.) Young People's Society Christian Endeavor is inaugurating. A room is rented in a convenient quarter of the town by the Sick Committee, and there, two days in the week, sick poor people are brought for medical attendance. Dr. Page, a member of the society, gives his service on those days, free of charge. This is the first scheme of the kind I have heard of in Y. P. S. C. E. work. Is not the idea a good one?

LATER ABOUT OUR RALLY.—Since the above paragraphs were sent in to the EVANGELIST office, word has been received from the Provincial Secretary of the Y. P. S. C. E. to the effect that Bro. J. A. Alkin, of Orangeville, has been appointed to lead one "rally" at London, while Bro. Geo. Fowler, of Guelph, will speak at the "Pastor's Hour."

A Midland Miracle.

NARRATIVE OF FACTS CONNECTED WITH THE CASE OF MRS. F. A. CHASE.

A SUFFERER FOR OVER TEN YEARS—TREATED BY THE BEST DOCTORS IN THE PLACE, ONLY TO GROW WORSE—THE PARTICULARS OF HER RECOVERY AS INVESTIGATED BY A REPORTER IN THE "NEWS LETTER."

The Orillia News Letter.

What wonderful progress the closing half of the nineteenth century has witnessed! Men still young have witnessed discoveries and inventions which, while they have fairly revolutionized the methods of human life, are taken almost as a matter of course. New and wonderful discoveries are made almost daily; we quickly adapt ourselves to the changed condition, and even wonder that the inventive genius of man had not long ago penetrated the secrets of nature, almost daily being brought to our aid. While in all directions great advances have been made, perhaps in none have the strides been greater than in the science of medicine. Old methods have entirely disappeared, the days of big, nauseous doses, cupping and bleeding, have passed away, and diseases formerly held to be incurable now speedily yield to the treatment of advanced medical science. For more than a year past there have appeared in the columns of the "News-Letter" from time to time the particulars of cures that have been the wonder of all who were acquainted with the persons restored. Perhaps the case of Mr. John Marshall, of Hamilton, was more firmly fastened in the public mind, for the reason that he had been paid a total disability claim of \$1,000 only after having been pronounced incurable by a score or more of men, who are leaders in the medical profession. As publisher of the "Canadian Workman," the writer has a knowledge of the proceedings under which a disability claim is paid, and when it is understood that all such claims have to pass the scrutiny of an investigating committee, the Local Medical Examiner, the Grand Medical Examiner, the Finance Committee and the Grand Lodge Officers, it will be seen that in none but a genuine case of disability could a claim be paid. That the claim was paid Mr. Marshall under this stringent scrutiny was unimpeachable evidence of his total disability; that he was afterwards made a well man was due entirely to a treatment of Dr. Williams' Pink Pills—probably the most remarkable medical discovery of the age. This case was but the first of a series of cures equally remarkable, due to the same grand agency, each of which has been verified by the most trustworthy testimony. The "News Letter," in common with many others, has taken a deep interest in noting the testimony given in behalf of Dr. Williams' Pink Pills, hence when the cure of Mrs. F. A. Chase was reported from Midland recently we decided to interview the lady and verify the truth of the report. With this end in view, Midland was visited, and Mrs. Chase found looking well and happy after long years of suffering, before she learned of the efficacy of Dr. Williams' Pink Pills. Mrs. Chase herself admitted the reporter, who found her a lady of superior intelligence, who, while not wishing for notoriety, was willing to give her candid testimony in favor of Pink Pills, for the benefit of other afflicted persons. To the reporter Mrs. Chase said that up to her sixteenth year she had been a healthy girl, but at that period sickness overtook her, and for the ensuing ten years her life was one of almost constant misery. In January, 1891, she grew worse, and finally had to take to her bed, and was reduced by suffering to the point of death. All the time she was under the treatment of leading doctors. After weary months Mrs. Chase

longed for some change, and in October asked her doctor if he would consent to her taking a trip to her mother's, who lives near Port Hope. This was finally agreed to, and on Oct. 3 last she set out for that place. On the way a lady, a stranger to her, noticing her weak condition, strongly urged her to use Dr. Williams' Pink Pills, and again on her arrival at her destination her friends urged her to try this wonderful remedy. On Oct. 10 she consented to give the Pink Pills a trial, and soon found such beneficial effects that it needed no persuasion to continue the treatment. In less than three months she was fully restored, and on Jan. 15 returned to her home in Midland, where her friends were rejoiced and gratified at the wonderful change which Pink Pills had wrought in her health and appearance. Mrs. Chase has since continued to enjoy good health, and says that she cannot too highly praise Dr. Williams' Pink Pills, which have rescued her from debility after many years of almost hopelessness. Her husband also expresses his thankfulness and appreciation of Pink Pills, and the unlimited pleasure with which he received his wife on her return, looking so well and happy, which was as he truly described it, "like receiving one from the dead." He said that his wife's condition had been such that in going only a few yards she would be obliged to rest, or obtain help, and before her restoration she had been unequal to the slightest exertion.

While in Midland the writer called upon Dr. McCartney, druggist, who reports large sales of Dr. Williams' Pink Pills, with the most accented benefits to those using them.

From many of our exchanges we have noticed with interest the reports of the great benefit derived from the use of Dr. Williams' Pink Pills, and the case of Mrs. Chase goes to confirm the claim that they are a wonderful discovery in the interests of humanity, restoring vitality to the broken down system. Considering that Mrs. Chase had suffered ten years, and last October was looked upon as being at the point of death, there must be something of an almost miraculous virtue in the remedy which has raised her to her present condition of health, after she had spent hundreds of dollars in doctoring, and for other so called remedies of various kinds. In fact, Dr. Williams' Pink Pills are recognized as one of the greatest modern medicines—a perfect blood builder and nerve restorer—curing such diseases as rheumatism, neuralgia, partial paralysis, locomotor ataxia, St. Vitus dance, nervous headache, nervous prostration and the tired feeling resulting therefrom, diseases depending upon humors in the blood, such as scrofula, chronic erysipelas, the after effects of la grippe, etc. Pink Pills restore pale and sallow complexions to the glow of health, and are a specific for all the troubles peculiar to the female sex, while in the case of men they effect a radical cure in all cases arising from mental worry, overwork, or excesses of whatever nature.

These Pills are manufactured by the Dr. Williams' Medicine Company, Brockville, Ont., and Schenectady, N. Y., and are sold only in boxes bearing our trade mark and wrapper at 50 cents a box, or six boxes for \$2.50. Bear in mind that Dr. Williams' Pink Pills are never sold in bulk, or by the dozen or hundred, and any dealer who offers substitutes in this form is trying to defraud you and should be avoided. Dr. Williams' Pink Pills may be had of all druggists, or direct by mail from Dr. Williams' Medicine Company from either address. The price at which these pills are sold make a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

A Good Omen.

The world goes onward. Progress is the Eternal's law.

A fresh illustration is before us. It has been surmised by many that our Baptist brethren are falling out with their practice of restricted communion, and that there is quite a decided movement toward a broader and more scriptural view and practice. Still as denials were promptly given and the proof not conclusive, the case was supposed to be not made out. But the face of the question now changes.

This present year, one of the most

scholarly and influential Baptist divines in the State breaks down the wall, and communes with his Christ at the table spread by the Disciples. Thus he does not in a corner and states the fact with brief comment to the churches which he serves. Further, wonderful to be told, those churches, at least by acquiescence, endorse his course.

Further still, our great Southern luminary, the Western Reformer, has not dared to scorch with its awful heat this ecclesiastical suspect. Is not this progress? Would a Baptist minister, high in the counsels of his church, have been suffered ten years ago to have communed with the Disciples and not have had a thousand heresy hunters put on his track?

If this be permitted, am I not also to believe in the truthfulness of a brother Baptist's statement to me that impatience with Baptist usage in this matter is growing, and that the pew will soon break down the barriers as did this minister? Is it true as he further stated that at least one-half of the Baptists in this Bluegrass region favor open communion—at least communion with all immersed believers?

Who shall say nay? Let the faint-hearted in our ranks look upon these "signs of the times" and take courage. The omens are auspicious, the prospect brightens, to-morrow will be better than to-day.—GEO. H. COMBS, Shelbyville, Kentucky, in Guide.

CALIFORNIA.

FRESNO COUNTY continues in the lead as a desirable place to make a home. We offer a fine chance to intending settlers to purchase choice lands in Thermal Belt, skirting the foothills where we are planting a colony, to be largely devoted to cultivation of citrus fruits. Orange growing lands up the foothills command the highest prices in the United States. bearing orchards yielding \$200 to \$300 profit per acre. Oranges and Lemons grown in this region have taken the premium at Los Angeles over those grown in other portions of the state. Oranges, peaches, apricots, plums, pears, raisins, etc., also grow to perfection. Water is cheap and in greatest plenty, ditch being 100 feet wide, the largest in the United States. Prices are low and terms easy. Those who begin with the early growth of this orange region will participate in the same wonderful success which has attended all other orange raisers. Emphatically, now is the time to buy. We shall conduct land buyers and tourists.
