The "Stunner."
Humaniarians should use and advocate the use of
the "Stunner."

It quickly and easily
attached to the heads of
Cattle, Hogs, etc., and re-
tained there by Steel
Springs; a smart blow given
it instantaneously and
painlessly deprives the animal
of sensibility.

The "Stunner" is the
only instrument that can be
attached to the head of
Stock for any of the purposes
mentioned. It enables the
FARMER AND PIG-KEEPER
to kill his own Cattle and
Hogs humanely, safely,
speedily and quietly.

CURED.

GENTLEMEN,—Your truss has succeeded where all
others failed. Mine was a bad case. I am a
farmer, my work is hard logging, stumping pitch
fork, digging ditches, and lifting stone. I never had
to quit work, yet your Truss cured me in three
months, and I am now as sound as I ever was. Your
truly,
GEORGE GILSON.

This Truss never tips or moves from position, even
the sixteenth of an inch. Cures every child, an-
eight out of every ten of adults. Guaranteed to hold
the worst form of hernia during the hardest work or
severest strain. Don't waste money on useless appli-
ances! Get the illustrated circular, contains pres-
ent, your neighbour's testimony, and questions to be
answered. Call or address, "The Egan Imperia
Truss Co." Office, 73 Adelaide Street East, Toronto.

NEVER SAY DIE THOUGH YOU COUGH Till Your Heart Aches

When the "LIFE RESTORING" Egan's Sufferer
Remedy is at hand. One bottle will satisfy the
most sceptical that *DR. J. A. HULL'S* Prepara-
tion of *Sufferer Remedy* will positively cure Con-
sumption, Bronchitis, Asthma, Nervous
Debility, and Neuralgic Catarrh. It is an im-
ported remedy. Try it—prove it for yourself.

Here are a few extracts from letters of
persons who were **CURED**, and now or-
der for their friends.

"I fear cough is in a decline, and as my medicines
cured my only brother of a hemorrhage of the
lungs about a year ago, I wish to try them. I
ordered fifteen bottles, while waiting the
first three bottles."
J. V. HULL,
Lawrenceburg, Anderson Co., Ky.

"Mother has been suffering with Bronchitis
nearly twenty years, and tried most all kinds of
medicines, and says the *Cannabis Indica* is the
only thing that gives her relief."
JANE A. ASHBROOK
Lawrenceville, Ballard Co., Ky.

"I know all about the *Cannabis Indica*. Fif-
teen years ago it cured my daughter of the Asthma;
she had it very bad for several years, but was perfectly
cured. Please send me a \$1 box of your medicine."
JACOB TROUPE
Deep River, Poweshick Co., Iowa.

"I have taken the *Cannabis Indica* as di-
rected, and am happy to tell you that I am perfectly
cured of Neuralgic Catarrh. You were right, my
trouble was not Consumption but Catarrh."
JAMES A. CALDWELL
Wabash Av., Chicago, Ill.

"It has cured Mrs. Helout of General De-
bility of the whole system, of two or three years'
standing, and others are trying it, with success."

CATARRH: A NEW TREATMENT.

Perhaps the most extraordinary success that has
been achieved in modern medicine has been attained
by the Dixon treatment for Catarrh. Out of 2,000
patients treated during the past six months, fully
ninety per cent. have been cured of this stubborn
malady. This is none the less startling when it is
remembered that not five per cent. of the patients pre-
sented themselves to the regular practitioner are
benefitted, while the vast majority and other ad-
vertised cures never afford a cure at all. Starting
from the claim now generally believed by the most
scientific men that the disease is due to the presence of
living parasites in the tissues, *Dr. Dixon* once
adapted his cure to their extermination, and com-
pleted the Catarrh practically cured, and the perma-
nency is unquestioned, as cures effected by him
four years ago are still. No one else has at-
tempted to cure Catarrh in this manner, and no other
treatment has ever cured Catarrh. The application
of the remedy is simple and can be done at home, and
the present season of the year is the most favourable
for a speedy and permanent cure, the majority of cases
being cured at one treatment. Sufferers should cor-
respond with Messrs. A. H. DIXON & SON, 305
King Street, west, Toronto, Can., and enclose
stamp or their treatise on *Catarrh* Montreal Star

HEADACHES

Are generally induced
by indigestion, Foul
Stomach, Costiveness,
Deficient Circulation,
or some Derangement
of the Liver and Digestive System.
Sufferers will find relief by the use of

Ayer's Pills

to stimulate the stomach and produce a regu-
lar daily movement of the bowels. By their
action on these organs, *AYER'S PILLS* divert
the blood from the brain, and relieve and
cure all forms of Congestive and Nervous
Headache, Elixious Headache, and Sick
Headache; and by keeping the bowels free,
and preserving the system in a healthful
condition, they insure immunity from future
attacks. Try

Scientific and Useful.

It is claimed by a medical journal that
milk taken as hot as it can be sipped has a
wonderfully reviving effect after over-exer-
tion.

ONE of the chief offices of a good nurse is
to think for her patient. An invalid should
never be teased with the exertion of making
a decision.

TO CLEAN RAISINS OR CURRANTS.—To
clean raisins or currants do not wash them,
but dry them with a cloth. Currants can be
cleaned in a sieve with the hand. Washing
makes cakes or puddings heavy.

THE SECRET OF SUCCESS.—The reason
why Hagyard's Yellow Oil is so popular with
the people as a household remedy for pain
is in the fact that while many liniments only
relieve, Yellow Oil both relieves and cures
Rheumatism and all aches, pains, soreness
and lameness.

A handsome fire-screen is made of two
layers of translucent glass with natural ferns
and autumn leaves pressed between. The
addition of the crimson and black butterfly
often seen among the leaves in the fall adds
much to the effect.

OXALIC acid is used for removing ink and
rust stains and remnants of mud stains, which
do not yield to other means. The best
method of applying it is to dissolve it in cold
or lukewarm water, to let it remain a moment
upon the spot and then rub it with the
fingers.

THE CANKER WORM OF THE BLOOD is
Scrofula, that gnaws upon the vitals and con-
sumes the body. Consumption of the Lung
Scrofula. Burdock Blood Bitters is one of
the best known combinations to cure Scrofula.

LIQUID ammonia is the most powerful and
useful agent for cleaning silk stuffs and hats.
In this latter case it is often necessary to ex-
pose the spots to the vapour of the ammonia,
which makes them disappear entirely. It
does not injure silks, but if too strong injures
the colour in woollen goods. It is also used
in restoring black silks which have been
damaged by damp.

HARD SAUCE.—The best sauce for apple
or peach dumplings is sponge cake batter,
or, for a very rich one, pound cake batter.
For this last add a beaten egg to your "fairy
batter," which is made by creaming the
butter in a bowl over a hot kettle, and beat-
ing in sufficient sugar to make a firm sauce.
The egg will make it richer. Or take an
egg, beat it in a spoonful of sugar and add
just a dust of flour, and you will have an ex-
cellent sauce, only needing a little nutmeg or
a dash of lemon or vanilla to complete it.

THE most successful Hair Preparation in
the market. If you are bald, if you have
thin or gray hair, if you are troubled with
falling out of the hair, or dandruff, don't fail
to try a bottle of *Dr. Dorenwend's Great
German Hair Magic*, the greatest discovery
of the age. Sent to any address on receipt
of price, \$1 per bottle, or six for \$5. Direct
all communications to A. Dorenwend, sole
manufacturers, 105 Yonge Street, Toronto,
Canada.

CUSTARD FOR PUDDINGS AND FRUIT
PIES.—Heat in a saucepan till nearly boiling
a pint of new milk. Beat together in a basin
the yolks of two eggs, a little cream and
some pulverized loaf sugar. Over these pour
the hot milk, and then pour it from the basin
into the saucepan and back again until tho-
roughly mixed. Lastly, stir it over the fire
till nearly boiling. Serve it cold in a glass
dish, with nutmeg grated over the top.

FISH AU COURT BOUILLON.—Bass, black-
fish and bluefish are excellent prepared au
court bouillon. Cleanse three pounds of fish
and put it in a fish kettle, just cover it with
cold water and a gill of vinegar. Add three
or four sprigs of parsley, one of thyme, two
cloves of garlic, half a carrot sliced, one
onion, a little tarragon, if you have it, one
clove and salt and pepper to taste. Put the
kettle on the fire and simmer the contents
until done. Dish the fish and serve warm
with caper or anchovy sauce or currant jelly.
The sauce is served in a sauceboat.

CORN BISCUIT.—Scald two cups of corn
meal in one pint of sweet milk. Then stir
together three-quarters of a cup of butter,
two cups of sugar and a little salt, and add
to it. Then add three eggs well beaten, a
little flour and half a cup of hop yeast. Let
it rise the second time; then roll out, and
let rise the third time. Bake and send to
the table hot. This amount makes about
twenty-five biscuits.

A HOME DRUGGIST TESTIFIES.

Popularity at home is not always the best
test of merit, but we point proudly to the fact
that no other medicine has won for itself
such universal approval in its own city,
state, and country, and among all people, as

Ayer's Sarsaparilla.

The following letter from one of our best-
known Massachusetts Druggists should be of
interest to every sufferer:—

RHEUMATISM. "Eight years ago I
had an attack of Rheumatism, so se-
vere that I could not move from the bed, or
dress, without help. I tried several reme-
dies without much if any relief, until I took
AYER'S SARSAPARILLA, by the use of two
bottles of which I was completely cured.
I have sold large quantities of your *SARSAPARILLA*,
and it still retains its wonderful
popularity. The many notable cures it has
effected in this vicinity convince me that it
is the best blood medicine ever offered to the
public.

was for over twenty years before his removal

worst form. Its ulcerations actually covered
more than half the surface of his body and
limbs. He was entirely cured by *AYER'S
SARSAPARILLA*. See certificate in Ayer's
Almanac for 1883.
