

GRATEFUL-COMFORTING.  
**EPPS'S COCOA.**  
 BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—*Civil Service Gazette*. Made simply with boiling water or milk. It is just such a book as we can urge parents to put in their boys' hands. A book of 397 pages, with handsomely illustrated cover and gilt edges, and teeming with splendid full-page illustrations, it sells at the remarkably low price of
