

## The Old Testament Vindicated

AS CHRISTIANITY'S  
FOUNDATION-STONE.

BY

George Coulson Workman, M.A., Ph.D.  
Author of "The Text of Jeremiah," etc.

With Introduction by

Rev. Chancellor Burwash, S.T.D.

CLOTH, 60c. NET, - - POSTPAID.

This book was written as an answer to Professor Goldwin Smith's article in the *North American Review*, in which he described the Old Testament as "Christianity's Millstone."

Dr. Workman categorically answers Professor Goldwin Smith's sceptical objections under the following chapter-heads: Inspiration, Revelation, Evolution, Interpretation, Citation, History, Patriarchs, Science, Religion, Morality, Barbarity, Sacrifice, Election, Anthropomorphism, Miracle, Prophecy, Immortality, Qualities.

Rev. Chancellor Burwash contributes an Introduction, in which he remarks: "Dr. Workman's book is an able as well as a useful exposition of the new line of defending the Scriptures, by a man of ripe scholarship in the department with which it deals. It proceeds in what I believe to be the only safe and right direction for the reconciliation of religious faith with every other form of truth. The solution which the author gives is lucid in style, conservative in spirit, and constructive in aim. While it sacredly conserves the old truth, it fairly and frankly opens the mind to the new. It thus endeavors to interpret each in the light of the other, and so grasp them both in a true unity of thought."
