

MALT.

3. Malt warehoused under the Act above cited may be removed in bond from one Inland Revenue Division to another, or from one warehouse to another, and may be exported in bond without payment of duty. But every such removal or export shall be under the same restrictions and conditions as to entry and bonds as are in force in respect of other goods liable to duties of excise, except that bags or other packages containing malt are not required to be marked or numbered, and except further that any duly licensed malster carrying on business, when entering malt manufactured by himself for warehouse, may do so on giving a general bond in a form to be prescribed by the Department of Inland Revenue, for the payment of the duty on the malt so bonded; which bond shall be for such a sum as the collector or officer, taking it computes will be equal to double the amount of duty that will accrue on the largest quantity of malt that will be warehoused under such bond at any one time, and if from any unexpected cause the quantity of malt shall at any time be in excess of the quantity so computed, further bonds shall be taken for such additional quantity.
