

WHAT ARE WE DRINKING?

IT IS A FACT that there is an enormous quantity of something being sold at the present time under the name of **Coffee** which is an insult to the name and an imposition upon the public. In view of this fact it is the **duty** of every dealer to purchase his **Coffee** of a reliable house and to protect his own interests by giving his customers **pure** Goods. We have established a reputation for **Pure Coffee** which is equalled by no firm in the Dominion, and we intend to hold fast to a reputation so justly earned.

Ask for and **INSIST** upon having Coffee that is prepared by
