

WEEK OF PRAYER.

THE greater part of this number we devote to announcements of meetings to be held during the coming fortnight. It will be observed that sermons to young men are to be preached in nearly all our city churches, and, in some cases, where such services are not held, it is not from lack of interest in our work, but from other prior engagements which precluded the possibility of compliance with the request. Our circular has been responded to with greater readiness and with more encouraging words than at any previous time. In fact, we wish our space would admit of some responses. If such were published they would show that the pastors of our city are not only heartily in accord with us, but sincerely desire to co-operate in every possible manner. We thank God for this kindly feeling so clearly manifested, and we can assure them that our aim, as in the past, will ever to be retain our position as a "helper of the churches."

MR. F. SCHIVEREA.

THOSE who were privileged to meet with Bro. F. Schiverea during his two days' visit, over a year ago, and to hear his clear and forcible presentations of truth, will be pleased to learn that, at the request of our Devotional Committee, Bro S. has been led (we trust of the Lord) to consent to labor with us during the month of November. Our announcements will show the arrangements made. Please remember those meetings in your prayers.

OUR ANNIVERSARY.

WE feel very grateful for the way opened before us in the arrangement for our 20th Anniversary. Rev. Dr. Vincent is too well known to need any words of commendation from us. His presence will, doubtless, do much towards securing a very large audience. Our President, Hon. S. H. Blake, is always listened to with pleasure; and Mr. Schiverea will also speak a word of cheer and counsel.
