A New Treatment.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result is that a simple remedy has been formulated, whereby Catarrh, Catarrhal Deafness and Hay Fever are cured in from one to three simple applications made at home. A pamphlet, explaining this new treatment, is sent free on receipt of stamp, by

FIVE BANKS WINDING UP

Such is the news from the Official Gazette of Ottawa. What an amount of loss the starting of these superfluous and worse than useless Banks have inflicted upon the public; by subscribing to their stock at par, hundreds of men expected to make money through the rise in value and were bitterly disappointed. Thousands of innocent people invested their all in the stock, or placed the savings of a life-time in the savings bank branches, on account of the expectation of better returns than could be given by the sound and well-established Banks. Now that the five young Banks have failed these people, and a good many others, can see clearly that they did wrong, and acted foolishly, in putting their money at risk in those new, untried, experimental affairs. Their eyes have been opened since the failures.

But it was just as foolish for them to put their money there (upon the expectation of greater value for it than the older and richer Banks could give) before their eyes were so rudely opened, as after. They did not then see; now they do see. Upwards of twenty two long years the writer of this advertisement has represented one of the oldest and most carefully conducted, and most profitable Life Insurance Companies of this continent—

THE AETNA LIFE INSURANCE COMPANY, OF HARTFORD, CONN.

During all that time he has kept his property, as well as his life insurance, in the oldest and most solid institution. What were deemed tempting inducements have been held out for change, but by pursuing this line, no loss has been met with. Fire Insurance companies, Life Insurance companies, Building societies and Banks, of much room character, have caused heavy losses to thousands during that time, who thought they saw in them better returns for their money in years to come than would be drawn from a With Profits Endowment Bond issued by the AETNA LIFE, and payable ten, fifteen or twenty years from date, or earlier death.

\$100,000.00 A YEAR

on the average, has been and will be paid down in solid gold, or its equivalent, in this Dominion by the old AETNA LIFE, to those who were wise enough to see the rich and solid investment afforded by these Bonds ten, fifteen and twenty years ago. The grand thing about this is that, unlike the old style, or the new style life insurance, you do not have to die to win. For do you squander, or lessen your estate, as many are foolishly doing, in joining societies from which no return for all the money paid is obtainable should the policy or membership be dropped, from any cause. No such business as that is done by the AETNA LIFE. All its Life Policies and Endowment Bonds are Nonforfeiting after three, and none of them after two years' payments are made.

Before insuring elsewhere, call for our rates, and do not believe the man who tells you some other company has done, or can do better for you, until you have investigated the matter thoroughly for yourself. It will pay you to see what the AETNA has done and is likely to do.
