Real Help for Tired Feet

A busy day and on your feet most of the time—a long, tiresome trip or a hike in the country—new shoes to break in—all these mean tired feet. Soothe and rest them by applying a few drops of Absorbine, Jr.

Or, if you are very tired and your feet burn, ache or swell, soak them in a solution of Absorbine, Jr., and water. Relief will be prompt and lasting.

You will like the "feel" of this clean, fragrant and antiseptic liniment. It penetrates quickly, leaves no greasy residue and is intensely refreshing. Only a few drops needed to do the work as Absorbine, Jr. is highly concentrated.

Absorbine, Jr.
 THE ANTISEPTIC LINIMENT

is a different kind of liniment—it is antiseptic and germicidal. It will do what any other good liniment will do—and a lot more. Absorbine, Jr. is made of herbs and is positively harmless to human tissues. It can not only be used and prescribed with confidence and safety but with the assurance that it will **kill germs** and promote rapid healing.

You can find dozens of uses for Absorbine, Jr. as a dependable first-aid remedy and regular toilet adjunct. To reduce inflammatory conditions—sprains, wrenches, painful, swollen veins. To allay pain anywhere. To spray the throat if sore or infected. To heal cuts, bruises, lacerations and sores.
