STAR KIDNEY PAD.

INDUBITABLE EVIDENCE.

(Condensed.)
**FROM DOCTORS, DRUGGISTS, MERCHANTS,
 FARMERS.**

Some of the additional home testimony received
 since publication of last pamphlet.

GIVING ENTIRE SATISFACTION.

Pictou, April 22.
 Gentleman,—I find that your Pad are giving
 entire satisfaction, and wish your increased sales for
 so valuable a remedy for disease of the kidneys.

E. MONTGOMERY, M. D.

OF SERVICE TO PATIENTS.

Lame Lake, April 27.
 Gentleman,—Your Pad has been of great service
 to some of my patients already.

BRIGHS'S DISEASE CONQUERED.

Enterprise, April 13.
 Gentleman,—Five years ago I fell with a bag of
 grain, which caused weakness in my back, and also
 brought on an attack of Bright's disease, and which
 caused me to lose considerable in weight. After
 wearing your Pad for six weeks, I gained 13 lbs.,
 all pain and weakness has left. I would have been
 yet in the doctor's hands, had it not been for my
 using your Kidney Pad.

THE ONLY PERMANENT CURE.

Tamworth, April 13.
 Gentleman,—I was troubled with painful back
 and could not retain my urinal secretion, from pain-
 ful inflammation of the bladder. I have been treated
 by a dozen physicians to no purpose, but have worn
 your Special Pad six weeks. The pain, swelling
 and inflammation is gone, and I am well. Your Pad
 is the only cure for kidney diseases.

ALL PRAISE THEM HIGHLY.

J. A. FRASER, Manf. of Wooden Wares,
 Tamworth, April 13.
 Gentleman,—An accident to years ago wrenched
 my back. I could hardly walk, and never lifted
 anything. The Pad purchased from Mr. Jas. Ayle-
 worth has nearly made me as strong as I ever was.
 I know of several being used, and all praise them
 highly.

JOS. SUMMERS.

Enterprise, April 27.
 Gentleman,—Your Pad is helping me wonderfully.
 My complaint is inflammation of the kidneys.

THE POOR CONSUMPTIVE!

How eagerly does the Poor Consumptive
 note every cheering sign—cheering indeed it
 may be to him, but how delusive, and with
 what bitter disappointment does he MARK
 each relapse! The hacking cough racks the
 emaciated frame, the hectic flush that rests upon
 the sunken cheek, the exhausting night sweats,
 which so speedily reduce the already wan-
 ing strength—the accompanying diarrhoea,
 that so distresses and debilitates—and the
 panting breath, so painfully accelerated upon
 the slightest exertion—all these are the symp-
 toms which the patient chiefly feels, and the
 observer chiefly sees. But the physician looks
 deeper, his keen sight pierces even to the
 lungs, and traces the disease from its first
 inception to its fatal termination.

He observes the deposit of the first tubercle,
 and marks out the nature and extent of
 the subsequent cavity, he sees the suffering
 patient, and knows that this is DEATH, who
 has selected another victim; that each sign
 observed by him is but another impress of his
 foot; he seeks in vain to hold him back, but
 he eludes his grasp, and at length he sees the
 smitten victim borne to the grave, from which
 he (skillful physician though he may be) has
 been powerless to save. Thus all remedies
 had proved unsuccessful, and Consumption
 was deemed incurable, but now HOW GREAT
 THE CHANGE! within comparatively a short
 time, a powerful weapon has been placed in
 the hands of the physician, by means of
 which he is frequently enabled to beat back
 DEATH, and restore the patient to health and
 strength—and this weapon is PUTTNER'S
 SYRUP, which has also proved of great
 benefit and useful in kindred diseases, such
 as *Scrophula, Rickets, Chronic Bronchitis,
 General Debility, &c.*

The use of the HYPOPHOSPHITES, or PUTT-
 NER'S SYRUP, is endorsed by the leading and
 highest medical authorities in this and the
 old country, which will be seen by a pamphlet
 published on this subject.
